WPF has an office at 211

Pasquerilla Spiritual Center, where you can often find a student or WPF Campus Minister hanging out during the day. Students can use this space for studying, meeting, hanging out. We also meet in the Fireside Room @ State College Presbyterian Church, which is located at the **corner of Fraser & Beaver Streets** (across the street from Saint's Café – how appropriate is that?!)

You do not need to be Presbyterian to participate in WPF gatherings and events! We are supported by the Presbyterian Church (USA), but we welcome all people. Actually, a lot of folks at our church and WPF are from a variety of other backgrounds. Besides, it makes it much more interesting if we have unique experiences and stories to share. Really, we're all people of God!

Worship

Because it is central to who we are as a community of faith, we worship in informal and casual ways when WPF gathers. As well, we invite students to participate in the worship experiences at the church. At SCPC, you'll find a large congregation that loves college students. The services are a fun mix of traditional and progressive, with great music, liturgy and fellowship.

SERVICE

Throughout the year we participate in mission projects in the Centre County community. Working with our neighbors, we meet God in fun and significant ways. A **Spring Break Mission Trip** highlights the year.
