

# Student Form

What kind of family/mentor would you like to be with?

- Family with little kids
- Family with no kids
- A family with retired folks
- Just a single adult would be fine  
(circle preferred gender: male / female).
- Oh, any family will do
- A family like this:

What would you like to do with your family/mentor?

Anything specific that you would NOT like to do with your family/mentor?

Anything else we should know?

## Penn State Students:

**Looking for a  
home away from home?**

**Be adopted by a family  
at the State College  
Presbyterian Church!**

## Adopt a Student Program

A family in our congregation would like to provide you with hospitality and fellowship through our “Adopt a Student” program this year. This is a flexible program in which you and your adoptive family define the parameters. Your family might cook you a few meals, or include you in social excursions. They can simply be a friendly family for you to sit next to during worship services, or they can be the ones you talk to during stressful parts of the semester. We will do our best to match you with a family that is right for you. After that, it’s up to you and your family. The sky’s the limit!

All Penn State students are welcome to participate. We ask that you be prepared to make a commitment for a full semester (or the equivalent thereof – about four months). Then, you and your family may decide whether or not to extend things. Just fill out this form (front and back), tear it off, and turn it in to the WPF mailbox in front of the church office. Feel free to attach another sheet if you want more room.
