

Nurturing Relationships

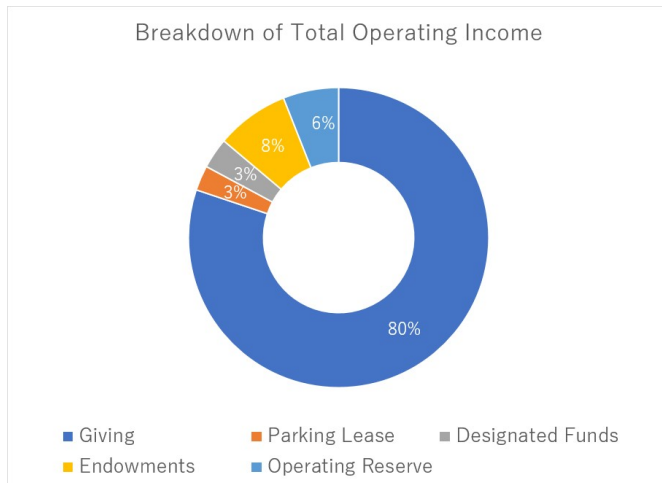

While worship and service are at the heart of what we do, it's our relationships with God and one another that help to keep that heart beating.

Each week, our Sunday Exploration Hour connects our children and adults in a variety of educational and self-development offerings. Our midweek children and youth ministry groups, LOGOS and FISH, gather around the table for food and fellowship. Our college-age group regularly gathers in fun, unique ways. Our Spiritual Formation retreats are enlightening times away together, and we host many other small group gatherings throughout the week.

2024 Budget State College Presbyterian Church

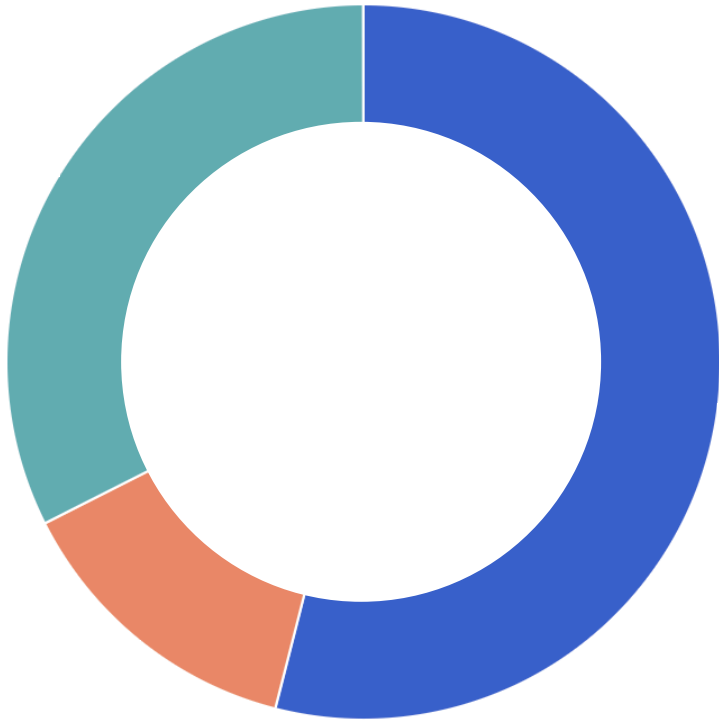

Restrospective

The budget of State College Presbyterian Church provides the means by which we carry out the mission and ministry for which we have been called, and we have the responsibility of managing the resources God has given, and expressing our gratitude for God's goodness.

In the coming year, we're planning to continue our strong mission support and outreach, grow in Christian community through educational and fellowship activities, and strengthen our worship through talented musicians and choirs.

Spending

- Joyous Worship - \$572,218
- Loving Outreach - \$143,983
- Nurturing Relationships - \$343,830

Joyous Worship

Worship is the heart of all we do at SCPC. Each week we gather to worship God who calls and molds us into a caring community of compassion and service. We experience God’s presence as we share our joys and concerns and reflect on God’s grace revealed in scripture. We worship through song, prayer, and acts of offering and dedication that reflect the love we have received from God and come to know through our fellowship and service.

Our worship is enriched and enlivened by our talented staff and the many volunteers that lead us in prayer, sing in our choir and ensembles, play handbells, and a variety of instruments. Through our gathering for worship we are inspired to lovingly care for and serve others. Worship fuels our nurturing relationships and loving outreach.

Loving Outreach

We serve because we know Jesus taught us the greatest commandment is to love God and to love our neighbors as ourselves. Our annual budget allows us to support mission partners both locally and around the world.

This year we hosted our unhoused community members through Out of the Cold, facilitated the Angel Tree gift program at Christmas-time, supported a group on mission to Hekima Place in Kenya, along with many other local mission initiatives.
