STATE COLLEGE PREBYTERIAN CHURCH ANNUAL CONGREGATIONAL MEETING January 24, 2021

The annual meeting of the congregation of the State College Presbyterian Church, as called by the session at its January 10, 2021 meeting, was convened by ZOOM videoconference at 11:00 am on January 24, 2021 by moderator Rev. Dean Lindsey. The meeting was announced from the pulpit and on the website on two preceding Sundays. The meeting was opened with prayer by Allison Maus. The clerk declared a quorum was present.

<u>MINUTES</u>: The minutes of the January 22, 2020 annual meeting and the November 8, 2020 special meeting of the congregation were APPROVED as distributed.

<u>BREAKOUT GROUPS</u>: The participants separated into breakout groups to discuss losses and gains during the past year and hopes for re-opening in 2021.

<u>SERVICE OF ORDINATION AND INSTALLATION</u>: Those officers elected by the congregation at the November 8, 2020 congregational meeting, having been trained and examined by the session, were installed or ordained and installed to their offices in a worship service of the celebration of the ordination and Installation of Church Officers. Ruling elders Susan Sanders and Ginny Rainey assisted pastors Dean Lindsey and Mike Ozaki. Ned Wetherald accompanied the congregation in the singing of a Doxology.

John Marsden and Elizabeth Maser were ordained and installed to the office of ruling elder. Carolyn Bryant, Barbara Cox, Mary D'Ambrosia, Ryan Gilmore, and Scott Sesler were installed to the office of ruling elder.

Kimberly-Dawn Falk, Clay Kleinman, Betty Macdonald, Lauren Moose, Owen Perry, and Joe Phillips, were ordained and installed to the office of deacon. Carrie Miller, Reed Miller, Heather Steel and Marcus Wheeler were installed to the office of deacon.

Bitsey Robertson was installed to the office of visitation deacon.

<u>REPORT OF THE PERSONNEL COMMITTEE</u>—Cam Richardson, Barbara Cox, Karen Christman Cam and Barbara explained the background of the proposal to create a new ministry position Associate Pastor for Campus and Young Adult Ministries and Spiritual Life for the designated term of three years. Karen highlighted the proposed position description.

MOTION: Motion was made by Cam Richardson that the congregation approve the establishment of the position of Associate Pastor for Campus and Young Adult Ministries for a designated three-year period, commencing in the summer 2021. Motion was seconded and **APPROVED** unanimously.

MOTION: Motion was made by Don Hartzell that the following members of the congregation be elected as members of the Associate Pastor in Campus and Young Adult Ministries for a designated three-year period Nominating Committee: Ken Bachman [Chair], Nancy Dreschel, Jean-Pierre Theroux, Olivia Barner, Laura Essinger-Hileman, Mary Jane Kistler, Barbara Cox. Motion was seconded.

The motion was APPROVED. Dean Lindsey returned to the chair and Mike Ozaki returned to the

ZOOM.

<u>FINANCIAL AFFAIRS</u>: Jason Stimmel, chair of the Financial Affairs Ministries Unit, gave highlights of the 2020 income and expense statement. Because of weekly monitoring of church finances during the 2020 crash and pandemic, and because of the CARES Act loan/grant, and because of the generous faithfulness of church members, the church budget ended the year less than 5% below what had been originally budgeted. The CARES Act grant allowed the church to pay staff, including Stay N Play, in a timely manner and freed up funds for Social Justice and Mission Team projects.

Jason presented the 2021 budget adopted by the session at its January 17, 2021 meeting. Katherine Allen thanked the Financial Affairs Ministry Unit on behalf of the congregation. There was a **MOTION** from Don Hartzell to receive the 2021 budget, it was seconded and **APPROVED**.

There being no further congregational or corporate business, the moderator entertained a motion from Don Hartzell that the meeting be adjourned. Motion was seconded and **APPROVED.** The meeting was closed at 12:30 p.m. with prayer by Mike Ozaki.

Respectfully submitted,

Virginia F. Rainey, Clerk of Session

CONGREGATIONAL MEETING MINUTES STATE COLLEGE PRESBYTERIAN CHURCH SPECIAL CONGREGATIONAL MEETING April 18, 2021

A Special Congregational Meeting of the State College Presbyterian Church was opened with prayer by Rev. Dean Lindsey on April 18, 2021, at 11:00 a.m., meeting via ZOOM videoconference call. The Special Congregational Meeting was called by the session at its regular meeting of March 14, 2021, to consider the nomination and call of Ms. Allison Maus as Associate Pastor in Campus and Young Adult Ministries for a designated term of three years. This is a full-time call, beginning May 15, 2021. The meeting was moderated by the pastor, the Rev. Dean Lindsey. The meeting was not recorded.

The clerk of session attested that a quorum was present.

Dean Lindsey presented Ms. Allison Maus, a candidate certified ready to receive a call from the Presbytery of Kendall.

Allison expressed her appreciation for the affirmation and support of this congregation.

Elder Ken Bachman, chair of the Associate Pastor Nominating Committee, reported on the search process, which included conversation with Allison about ordination and listening to her faith journey. He thanked the members of the Designated Associate Pastor in Campus and Young Adult Ministries Nominating Committee: Ken Bachman, Chair; Barbara Coulter Cox; Nancy Dreschel; Laura Essinger-

Page 4

Hileman; Mary Jane Kistler; Jean-Pierre Theroux; and Olivia Barner for their service.

Elder Barbara Cox, chair of the board of College-Age and Young Adult Ministries, outlined the responsibilities of the position. Barb pointed out that much of Allison's work takes place beyond our walls, where her ordination would be helpful. Allison supervises our grant-supported programs. She maintained our programs creatively and nimbly during the pandemic.

To get to this place, Allison has received the M.Div. degree from Princeton Theological Seminary and passed the standard ordination examinations required by the PCUSA. Dean Lindsey presented the proposed terms of call.

Terms of call: This is a full-time associate pastor position for a three-year designated term. Financial terms:

Cash Salary	\$46,011
Housing allowance	\$10,405
Total effective salary	\$56,416

Board of Pensions: SCPC to be responsible for dues equivalent to 19.75% of Total Effective Salary under the Pathways to Renewal agreement approved by BOP.

The Membership in 2021

Our 2021 Membership numbers show a loss of 24 for the year with the current congregational membership at 788 (gain of -5). We had 16 new members join the church with 9 young peo-

ple joining in our "Explore" class, 7 new adult members when we resumed our Second Sunday Membership Opportunity in the summer and one member was reactivated upon returning to the area. Normally, each year the rolls are reviewed and some names are moved from the active to the inactive roll. This did not happen again in 2021 as in-person worship did not resume until June, and membership opportunities were limited due to the COVID-19 pandemic. 157 names were removed from the inactive roll after being placed on the inactive roll in 2018 and 2019 (2 additional years of inactivity).

IN MEMORIAM

The 2021 Annual Report of The Session

The Book of Order establishes that the church shall be governed by ruling elders and ministers of Word and Sacrament, chosen by the congregation to discern and guide its fidelity to the Word of God and to strengthen and nur-

ture its faith and life. These come together in a council known as the session. The State College session is comprised of twenty-four ruling elders and two ministers. Every one of them took ordination vows to seek to follow the Lord Jesus Christ, love their neighbors, and work for the reconciliation of the world, which is sufficiently awe-inspiring, but during a period of unsettling pandemic, another vow to pray for and seek to serve the people with energy, imagination, and love required even more of them. They fulfilled their promises.

Session meets monthly, normally on the second Sunday evening of the month. During the pandemic, it continued to meet, first by ZOOM video conference call and then in a hybrid meeting with participants both in person, socially distanced and masked in the Social Hall and via ZOOM. This has the unanticipated advantage that session members can participate from anywhere in the world. As the year progressed and the infection danger subsided into the moderate range, session gradually restored in person activities, guided by the advice of our Medical Advisory Team. Worship resumed in the sanctuary, with precautions of masking, social distancing, and fans to circulate air, but session also took note that online worship remains popular and is here to stay. The congregation rejoiced in participating in the ordination to the ministry of Word and Sacrament on June 27 of Allison Maus as our Designated Term Associate Pastor in College Age and Young Adult Ministries. It was a long anticipated and joy-filled occasion.

The congregation is the church engaged in the mission of God in its particular context. The context in 2021 continued to be pandemic. The session and congregation adopted electronic meeting policies and updated our bylaws so that we can move nimbly between in person and virtual requirements. Choirs rehearsed spread out and managed to make a joyful (and intelligible) noise despite masks.

The session this year reviewed processes and policies. The Financial Affairs Committee is updating our financial policies and consolidating designated and restricted funds as advised by our auditors. Membership Ministry Unit revived second Sunday membership classes. Under the direction of Rev. Mike Ozaki, the EXPLORE class led nine youth to seek confirmation in May. Social Justice & Mission Team continued our outreach to provide emergency cold weather housing through Out of the Cold. It provided a prophetic word by continuing the Racial Reconciliation Committee. Stay and Play, LOG-OS, and FISH adapted their activities to meet health standards and have resumed safely. Spiritual Life offered stress-reducing and faith enhancing retreats. CAYAM opened our doors to students taking exams.

Solid finances undergird the activities of the congregation. The pandemic encouraged the growth of online giving to more than twenty percent of giving, but the reduction in time physically passing collection plates has benefitted us by giving the congregation the opportunity to think about all the ways God calls us to be generous.

A solid building is also necessary to the operations of the church. Building and Property has focused on the exterior this year. The caulking in the windows and the deterioration of masonry on the sanctuary exterior were both addressed. SMART (SCPC Maintenance and Repair Team) again did projects that benefitted the whole congregation. A new sign was erected on the corner. Commemorative trees were planted on the Fraser Street side in memory of Joanne Chuckran and Hobie Kistler.

Church officers are ordained for service not only in the local congregation, but once ordained contin-

Huntingdon. Elder Beth Farmer serves on the administrative commission for the closure of the Bellefonte Presbyterian Church. Clerk of session Ginny Rainey is secretary of the Board of Directors of the Presbyterian Historical Society. Elder Scott Kretchmar is lay pastor of Upper Spruce Creek Presbyterian Church.

The year saw significant change in our personnel. Long time Church Secretary, Janet Heasley, retired at Easter. Lindsey Hockenberry came on board as evening custodian. Cheryl Price filled in temporarily at the front desk until Laura Green was hired permanently. Allison Maus became Associate Pastor upon ordination June 27. The call of Rev. Mike Ozaki was dissolved effective August 1 in order that he could become the pastor of the First Presbyterian Church of Crookston, Minnesota.

The session expresses its deepest gratitude to those staff who served our congregation in 2021: Senior Pastor Rev. Dean Lindsey, Associate Pastor in College Age and Young Adult Ministries Rev. Allison Maus, Director of Music Ministry Ned Wetherald, Director of Education & Program Deannine Shipman, Membership & Program Associate Martha Trout, Financial Administrator Michelle Fortin, Assistant Financial Administrator Anne Thomas, Building Manager Todd Hockenberry, Evening Custodian Lindsey Hockenberry, Stay and Play Director Laura Steager, Stay and Play Assistant Director, Aida Pistone, Middle School Coordinator for (LOGOS) Chrysalis, Laura Essinger-Hileman, and Mike and Amy Gordon, Kitchen Coordinators for LOGOS and FISH. Their ability to adapt to rapidly changing, adverse circumstances steadied our ministry; their service of energy, imagination, intelligence and love of Jesus Christ blessed both them and us. Appreciation is expressed to many, many volunteers who stepped up and kept programs and places going and safe, while protecting the health of all who serve the church in this place—making and distributing meals, building the bonds of fellowship, creating programs, teaching classes, mentoring our youth. In fearful times, you offered God's grace and called the people to discipleship. Thank you, all of you.

The State College Presbyterian Church of State College, Pennsylvania has been called by God and organized to proclaim the good news of Jesus Christ, to minister to the needs of members of the congregation and residents of the community, and to promote peace and justice in the world.

The Board of Deacons, or Deacons, serves through witnessing, service, and sympathy, modeling after Christ. In 2021, the board included 22 members, 19 regular members, and three youth members. Deacons are staffed by the Pastor and meet monthly, except for the summer break (July and August).

The 2021 Annual Report of The Board of Deacons

In this time of Covid impact, the Deacons actions towards witness, service, and sympathy have taken some unusual turns, by comparison to past years, though the guiding principles have remained constant. Through the year, Deacons have adapted their activities to changes in the church service schedule, responsibilities for the coffee/social hour, and creative addressing of traditional activities. Deacons have met regularly, though not in person, rather via zoom. Though the traditional Palm Sunday breakfast was cancelled due to Covid restrictions, Deacons assisted with the Easter Services held at the RE Farm Café and Windswept Farms. Delivering flowers during Lent and Advent to our church members, who are either shut-in's or have lost a loved one in the past year, allowed Deacons to extend the hand of service and sympathy to some of the more vulnerable among us. Deacons guided the church walk through at Easter time. Deacons directly communicated with all church members via phone calls, emails, or notes in the spring and again with greeting cards at Christmas. Deacons were regularly in support of the in-person services through ushering and organizing the coffee hour, which was offered outside throughout the summer and early fall, then moved inside as temperatures dropped. Unfortunately, unable to hold any fundraising events, Deacons were able to financially support many of the traditional activities with donations from the congregation who gave generously to the Deacons fund; these included the "Coming Together" bucket supply in September for Presbyterian Disaster Relief, the fall CROP walk, the Christmas dinner, Out of the Cold, Centre Safe, the restocking of church first aid kits, and more. Deacons have also continued to serve on many church committees, e.g. Education, both Adult and Youth, Visitation, Sustainability, Nominating, Worship, and others, enabling communications between Deacons and those other units.

The Deacons extend our appreciation to the church staff for their support, Pastor Dean Lindsey, Associate Pastor Allison Maus, Deannine Shipman, Ned Wetherald, Martha Trout, Laura Green, Michelle Fortin, Anne Thomas, Laura Steager, Laura Essinger-Hileman, Todd Hockenberry, Lindsey Hockenberry, and Mike and Amy Gordon.

The Deacons are looking forward to 2022 to support the church and broader community through witnessing, service, and sympathy, modeling after Christ.

Submitted by Sharon Manno Moderator, 2021 The ministry of deacon as set forth in Scripture is one of compassion, witness, and service, sharing in the redeeming love of Jesus Christ for the poor, the hungry, the sick, the lost, the friendless, the oppressed, those burdened by unjust policies or structures, or anyone in distress.

THE ANNUAL REPORTS OF THE PROGRAM STAFF

The 2021 Annual Report of the Pastor ~ the Rev. Dean Lindsey

"You who live in the shelter of the Most high, who abide in the shadow of the Almighty, will say

to the Lord, "My refuge and my fortress; my God, in whom I trust.' For he will deliver you from the snare of the fowler and from the deadly pestilence; he will cover you with his pinions and under his wings you will find refuge."

God has been good to us, seeing us through the storms of the past year which began in fear and lockdowns, worship conducted remotely, and church activities much curtailed. By March, and with the advice of our Medical Advisory team, we began to gather again in small numbers for in-person worship. Then, for Easter Sunday, we were able to celebrate the resurrection of our Lord at Windswept Farm. It was a risky plan to meet outside so early in April, but God smiled on us, and we enjoyed the leadership of the Explore Group in an early sunrise service and welcomed more worshippers later that morning. In a way, those services captured the spirit of a year which required a lot of adaptation and adjustment as we continued to deal with the ongoing consequences of the pandemic.

That same month Janet Heasley retired after over twenty years of service to our congregation. With kindness and grace she presided over our church office, always ready to help other members of the staff with their work and to greet with a smile visitors to the office. We were fortunate that Cheryl Price was willing to step in and serve as our interim secretary for the summer months, and we were very happy to welcome Laura Green to the church family in August. She has been doing a fine job as our new church secretary.

Another big change came during the Summer as Mike and Bri Ozaki and their children relocated to Grand Rapids, ND to be near other members of the Ozaki extended family and as Mike accepted a call to be the pastor of the First Presbyterian Church nearby in Crookston, MN. Mike brought such creative energy to congregational life, and he continues to be missed greatly. During a farewell picnic for the Ozaki family, many of the young people and others within the congregation with whom Mike had worked so closely were able to express their deep gratitude for his ministry among us.

The Ozakis were not the only ones who, in this pandemic year, sought to be closer to family. Other church families made similar moves away from State College, but we've also welcomed newcomers to the community who needed to be closer to parents or children. We all know it has been a hard time for families to be separated, especially those families which lost loved ones. In many cases funerals could not be held, or were delayed for a period of months. We've had to hold a lot of grief these many months.

Fortunately, there have been reasons to celebrate, too! The ordination of Allison Maus in the early summer was a real highlight of the entire year. This is something that our Campus Ministry Team and the Personnel Committee worked on for several years, securing support for our ministry to the college community. Of course, Allison had worked for much longer, preparing for ordination, and we are so glad that we could join with her in taking this important step in her life.

Kerry Trout and Jerry Sawyer wrapped up a year and a half of recording and producing our prerecorded services in that same time frame. It was a labor of love on their part, creating artistically curated and meaningful worship services for our on-line congregation. When we loosened restrictions on in-person worship, Kerry was instrumental in getting us set up for the live-streaming of our services. On many Sundays, our on-line viewership equals or exceeds our in-person attendance, so we expect to continue providing our services on-line for the foreseeable future.

At the start of a new school year, our focus was on bringing the congregation back together. "Come Together Month" took us through World Communion Sunday and included outdoor refreshments and activities for all ages. One thing we were able to do together was assembling Disaster Response Kits to send to Church World Services. Considering the natural disasters that have occurred across the country, the need for this kind of assistance will surely continue, and our church has always been ready to respond generously.

That kind of generosity was a blessing to the local community as we wrapped up another successful Angel Tree drive in early December. A big thank you goes out to Carrie Miller for organizing that and for all who participated. In the Holiday Season we again provided hotel accommodations for the Out of the Cold guests and provided a wonderful Christmas Day dinner for take out and delivery.

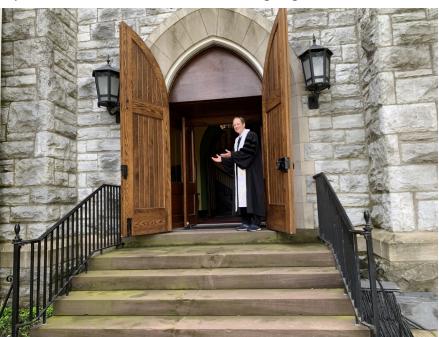

We were all very happy to see the return of the Christmas Candlelight service in-person thanks to the good efforts of Ned Wetherald, and we could worship together on Christmas eve in person as well, as Allison Maus led us in a lovely 11.00 pm service and the LOGOS children and youth led us at 7:00 pm. Indeed, the overall success of the LOGOS program during the Fall was one of the brightest spots of the whole year!

In the new year, we will be having only one Sunday morning service. After considerable conversation and prayer, the Session felt this was the best way to go to provide a meaningful and uplifting worship environment for members and visitors alike. Also, in the new year, we will likely be searching for a new Director of Youth programming. This follows from the recommendation of our Youth Visioning Team, chaired by Mary D'Ambrosia, which worked over a period of months to help us discern the best direction for this vital area of ministry.

By God's help, we were able to do many good things in 2021 though it was a hard and unsettling year as our nation struggled over political issues, race issues, and the ongoing health crisis. As a

congregation we study and pray together about matters of consequence for our nation and world. Always, we want to be alert to the ways that God is calling us to be peacemakers, reconcilers, and stewards of creation. We pray that in the new year we will be able to continue to make vital contributions to the needs around us as we grow in faith and service.

Dean Lindsey, Sr. Pastor and Head of Staff

This year was a big year! You may have noticed my title changed this summer as I was called as a designated Associate Pastor. As we all settled into new rhythms again and again I am

The 2021 Annual Report of the Associate Pastor in College Age and Young Adult Ministries ~ the Rev. Allison Maus

so thankful for the support of this congregation. I'm so grateful to be called pastor here. Thank you for all the ways you've prayed and encouraged me along the way. A special thanks to the CAYAM committee: Barbara Cox, Nancy Dreschel, Laura Essinger-Hileman, Sharon Manno, and Tracy Massaglia. Here's a little about what we did this year.

Presbyterian Student Fellowship and College-age Programs

PSF is our congregational supported ministry for college students. This group met Thursdays for fellowship programming throughout the 2021 Spring Semester. This looked like Bible Studies, art projects, game nights and more. As we followed Penn State's pandemic protocols we skipped our shared meals for the semester, but made sure our students were sent home with free meals we were able to offer. Thank you for those who helped give extra money to our budget so we could provide meals and more for our students. Our graduating seniors met together a few extra times during the semester reflecting on faith and what's next. We finished the semester by celebrating our college graduates near and far in worship.

The 2021 Fall Semester brought back some of our familiar rhythms and we were so grateful to share meals together again! We are so grateful for all of the people who brought food and even stayed to share a meal with students. Our attendance numbers were small this Fall, but our regulars were committed and we did welcome a few visitors throughout the semester. We continued to tackle big questions about the world and how politics, race, mental health, and so much more intersect with faith. This Fall we also were able to host an event we've been postponing since Spring of 2020! We welcomed Nikole Hannah-Jones virtually in collaboration with Lutheran Student Community, Wesley Foundation at Penn State, and Bellisario College of Communications at Penn State. While we wished this event could have been in person, we are grateful that our students were able to gather for a private dinner to ask their questions of Nikole Hannah-Jones before her keynote.

To support our college students connected to SCPC, CAYAM sent out *Christmas cards* with a message and Starbucks gift card to give them the energy we all needed after this long year. We also hosted a *Christmas Eve Open House* for college-age and young adult folks that are in town for the holiday just before the 11 pm Christmas Eve Service and hope to keep this an annual tradition.

Young Adult Ministries- Now YoPro (Young Professionals)

We've gone through some rebranding this year. Wanting to distinguish ourselves as this group grows beyond the Theology unTapped program we adopted a new name, *YoPro*, short for Young Professionals. We still welcome grad students and those entering into their post-college/early career lives. Our *YoPro Small Group* is still going strong, with studies this year that focused on stories popular in our Children Bibles growing up that also had some sort of film adaptation. We loved looking at the stories in their different developmental stages and what's better than a movie night?! We also continued to gather monthly at different restaurants and pubs around town for *Theology unTapped*. We continue to welcome new people into this group regularly, and this group of friends has been a great support for those transitioning in and out of town, school, work, and more! Our members have welcomed each other into their homes for game nights, crafting, and dinners. We also held a Christmas party this year with cookie decorating, a gift exchange, card making, and delicious snacks! Basically this group has so much fun and I'm so glad to be a part of it.

Other Ministries

I have the privilege to serve as the staff person who collaborates with the Spiritual Life team at SCPC, and we worked on new programming this year as well as offered existing programming with a virtual twist. Please see their report to read about the new ways they encouraged our congregation this past year to find meaning and further their spiritual journeys. The highlight for me was our mini retreat, *Better Together: A Faithful Walk Through Trying Times,* at Millbrook Marsh. As part of the Spiritual Life small group program, I lead a virtual weekly Bible Study for a group of awesome people, some of the mothers of our little ones. This year we studied the I Am statements in John, the book of Esther, The Gospel of Luke, Christmas prophesies, and more.

I am also grateful that this year held some creative expression for me! Thank you for jumping in with paint brushes, markers, and wonderful ideas as we created banners, prayer flags, and cards. I hope these opportunities to create helped you to step out of your comfort zone, process the grief and joy this past year held, and reminded you that you are a part of this beautiful community.

While this year felt more familiar than the previous, there was still so much learning and adapting that we all journeyed in! We did it together and I pray the ways we've been drawn out of our old normal continue to lead us in our calling as Christ's Church to serve well the college-age, young professionals, and all those in our community.

Peace,

Allison Maus, Associate Pastor in College-Age and Young Adult Ministry

The 2021 Annual Report of the Director of Education & Program ~ Deannine Shipman

To be honest, I usually enjoy looking back over the past year and reliving some of it for the annual report each year. But,

once again, during a pandemic, it's a bit more challenging to see what we went through, and what's ahead while Covid is still around.

I resource the Education Ministry Unit, as well as the Adult Education Committee, and co-resource our growing LOGOS program (GECKOS and Chrysalis) along with Ned. I enjoy working with Stay and Play, and Laura Steager, and our fantastic kitchen coordinators for LOGOS and FISH – Mike and Amy Gordon. We brought on Laura Essinger-Hileman this year as the Chrysalis Coordinator as well!

When January 2021 began, most of us church staff were still working remotely a good bit. I would come in weekly to get things from my office and do my recordings for our service, and we were also still doing Curbside Meals for LOGOS twice a month. (Once we came back to our offices fulltime, I had several boxes of books and things to bring back!)

February and March were filled with Zoom meetings still, and we discovered better attendance at many meetings since people who were out of town could all still join us! Zoom meetings might continue long past this pandemic I suspect, but I would like to see people in person!

By the time April arrived we were all back in the office, and I started filling in my official church calendar again with all the Zoom meetings, and deadlines. It was nice for church staff to all be face (masked) to face (masked) again. Once we were all vaccinated we stopped that ... only to return to masking later in the year as we all know.

Even though we returned to live and in person worship services during the year, it was awhile until we started up the children's messages. I had gone over a full year doing children's messages ON VID-EO only, with no actual children around me. I worried I would forget how to talk to real children!! But I guess I didn't, and it's been nice to have kids back around me, while we are all masked of course.

The LOGOS program started back up this past September IN PERSON, and we were surprised to have numbers of children/youth similar to what we had in 2019-2020. It took a lot of planning and figuring out (over the summer) how to do things a different way. We adapted how we do EVERYTHING, and super volunteers have helped that, headed up by Keri Rounsville!

The kids/youth themselves have adapted well and there have been no issues so far as we enter into our second semester of LOGOS.

Our Sunday School program started up in October this year, and with the help of committed volunteers we have managed to have something on Sundays for the families that feel comfortable coming to church. We hope to continue to have this program but with the new schedule beginning now in January. We are always in need of caring folks who would like to share their faith with others through teaching. Adult Education has done very well this year with all of their plans. It seems that after the shock on going all online, people warmed up to being able to offer videos or to Zoom and we filled our calendar quite quickly! And then this past Fall we started back up with in person classes and that has gone well! Thanks to Jenny Van Hook and a great committee!!

I want to add a special shout out to our Stay and Play Advisory Team and to Laura Steager, our S&P Director. This whole pandemic has been difficult on everyone, but especially to those who teach children. Our pre school program has met those challenges head on, and adapted as needed. It has been tiring, rewarding, and exhausting at times for them. Through it all, they kept going and our families appreciated all the efforts and the good care. It's always a joy to work with Laura, and I never feel like "a boss", but more like a friend. Thanks for all you did to get the program through another year Laura!

It's been a challenge for sure this past year, but I look forward to the goal of all being together again. Until then, I thank God for good health and the support of a loving congregation!

Deannine Shipman, Director of Education and Program

In years past, when I was asked to submit my annual report I used to joke that I was going to copy last year's report and change the dates. Maybe I shouldn't have joked about that. I certainly could not have done that for 2020 or now 2021! Well, I had a big

The 2021 Annual Report of the Director of Music Ministry ~ Ned Wetherald

plate of pork and sauerkraut on New Year's Day, so this year will be filled with good luck.

We began 2021 worshiping remotely via recorded YouTube videos. These were enjoyable to prepare because they allowed for some creative presentations that live worship does not allow. I think one of my favorite services was the Good Friday Service which blended a reading of the Passion Story with organ music on Lent and Good Friday themes. The live outdoor worship on Easter Sunday was beautiful, if a bit chilly and windy, but still was missing live music with organ, instruments, and choirs.

We eventually went to live worship in the sanctuary with social distancing, additional ventilation, and restricted numbers. We continued an online presence for worship by livestreaming our worship service. The livestreaming doesn't allow for much "production" but it provides a meaningful worship service for those who cannot attend for whatever reason – even beyond Covid. I have encouraged the Worship Ministry Unit to continue and expand the livestreaming service to reach those who cannot attend due to illness, distance, or schedule.

In September we started live rehearsals of the Chancel Choir, the Handbell Choir, and LOGOS. The Chancel Choir had a wonderful Fall season even with socially distanced rehearsals in the sanctuary, open windows for increased ventilation, singing through masks, and shortened rehearsals. They provided a wide variety of music in many styles to enhance our worship service.

The Handbell Choir dealt with similar Covid precautions for their rehearsals. In order to social distance, we rehearsed with each ringer at their own table and music. We normally use a continuous

Annual Report 2021

thirty-foot length of table and pair up on music. One of the biggest challenges is sharing bells and turning pages. It was not unusual to hear a shriek as a ringer tried to turn the pages all on their own without a partner to work with. The Handbell Choir provided music for worship twice in the fall and looks forward to leading worship more often in the New Year.

LOGOS Worship Skills presented additional challenges. Since, at the time, most LOGOS children were not eligible for vaccines, we decided to avoid singing for the time being. Singing spreads aerosols – even with masks – so we decided to find new different ways to praise God in worship. We purchased a set of Boomwhackers (essentially a set of tuned plastic tubes) to add to our choir chimes. We also purchased five gallon plastic buckets to use as drums. Both turned out to be fun to work with, but the Bible Teachers insisted that we close the Choir Room door. I wonder why? This work with essentially percussion instruments gave us an opportunity to work on rhythms and music reading. The sixth through eighth grade Chrysalis group became quite good with choir chimes, reading "real" music much like our Handbell Choir uses.

We were able to bring back our Advent Organ Recital Series and the live Christmas Candlelight Service in December. The Advent Organ Recitals were relatively well attended and provided a nice variety of organ music. Additionally, the fellowship lunches after the recitals are a blessing during the Advent season. Thank you to Karen Neff, Katie Blume, and Cheryl Price and Bill Lukens for hosting and provided delicious soups. The Christmas Candlelight Service was pared down from some years past due to reduced rehearsal time and Covid restrictions. However, the service was done beautifully in our gorgeous sanctuary. A great step towards a new normal.

I am pleased and excited with our trek through 2021 and I look forward to finding what new surprises 2022 has in store for us. I look forward to exploring the new year with this exceptional congregation.

Soli Deo Gloria. Ned Wetherald

The 2021 Annual Report of the Membership & Program Associate ~ Martha Trout

I ended my last year's report with the hopes that 2021 would be a very different year than 2020. Well, the answer

to that is "yes" and "no". We began the year in much the same way as 2020 ended—continuing to and finding new ways to keep us all connected during the ongoing months of working remotely and a shuttered church. I found that I was able to be quite productive working from home, but just after Easter we were all back in the office full time. It was great to actually "see" everyone (even though we could only see half our faces), and then we hit the ground running! In many cases, it seems like we all had "COVID amnesia" as we constantly found ourselves asking "how did we used to do this?". Staying connected, which took on new forms in 2020, continued (and still continue) from Zoom meetings to online worship and creative emails, all while we started up more of our regular programming and worship. It has been challenging, but also gratifying to know that all of you have been responsive and supportive in everything we have tried to do.

Page 22

Managing Information and Communications

During the time when we were physically separated from each other, it was more important than ever to stay connected, and communications continue to take up a large portion of my time. The Weekly Update email, program emails and managing the website are an important part of my work, and I continue to enjoy using those tools to keep all of you connected and informed. Our Weekly Update email list receives an email each Thursday with everything that's happening in the coming week as well as what will be happening in worship on the upcoming Sunday. We also continue an email on Saturdays with links to view a (recorded service until June) live-streamed worship service on Sundays. We are sending out other special program and meeting announcements as well as prayer concerns as they come up, so if you're not on the email list you'll want to get signed up for it. I manage and publish the general email communications, so just send me an email (contact information for all staff are listed on the inside cover of this publication) to provide your email address, or give a call to the church office (814-238-2422).

Zoom

Videoconferencing continues to be a necessity as the pandemic continues, and I'm sure will be a mainstay in some fashion. Session is holding hybrid meetings to accommodate those who are not comfortable being in larger groups of people and the Deacons continue to meet on Zoom. In April, when we came back to the office, we were able to resume our weekly staff meetings in person, but many ministry units, committees and groups continued to meet on Zoom. I am responsible for managing the zoom account and the zoom calendar - which can get a little crazy switching licenses around so everyone can meet when they need to, but it allows the groups and organizations to continue to meet and get their work accomplished.

Worship Service Emails and Live-Streams

In June we switched from a totally recorded worship service to a live-streamed service, and those Saturday emails with information about the service and links to the live-stream continue — it looks like this will be a permanent offering of worship. It is amazing to see the number of live-stream views the services get. At Christmas, we offered the Advent Organ Recitals as well as three Christmas Eve live-stream services. Along with getting the information out to you, I create and schedule the live-steams — my keyboard was burning up in December! The links to all the services are sent out by email and they are also available on our website and our YouTube channel.

Website

Certainly, managing the website and serving as website coordinator continue to be a huge part of my job and a fun outlet for me. My responsibilities continue to include managing, editing and writing content for the website, posting videos and sermons (as well as editing the sermons from the worship service recordings), making sure all of the Sunday Bulletins are there, and trying to keep it all current as my time allows - no small order!

You can go to our "Worship Service Videos" webpage to view the videos of our live-streamed services or view past recorded services on the archives pages. or the "Sermons" page (and archives pages) to listen to past sermons. You can also see the weekly Sunday bulletins on our "Worship Bulletins" page. The website is the go-to place for all the information about events, programs and everything that's happening.

Annual Report 2021

Other Responsibilities and Projects

Keeping the church database correct and current, creating brochures, signs and posters, keeping the official records of the church as well as communicating with Session and providing the materials they need for their meetings, preparing the church's annual statistical report as well as producing this Annual Report — all keep me busy throughout the year. And, this year we decided the Sunday Bulletin (and church letterheads) needed a refresh, so this past summer I worked on a re-design and we introduced the new Bulletin design in early August.

I'm sure there are many challenges yet ahead, but this year there seems to be

more hope that we may return to more normal activities without the constant worry about gathering safely. I am grateful to be able to be in ministry with all of you along with a talented and creative staff.

THE ANNUAL REPORTS OF THE MINISTRY UNITS AND COMMITTEES

The Building and Property Committee (B&PC) directs the maintenance and repair of our church building and grounds by

The 2021 Annual Report of the Building & Property Committee ~ Clark Moose, chair

our custodian staff, contractors, and volunteer church members. Todd Hockenberry has successfully completed his third year as the SCPC Building Manager/Head Custodian and continues to implement cost effective task planning and maintenance actions. Todd works Sunday through Thursday and frequently supports special events.

The general operating budget, the Sam and Mary Bayard Endowment Fund, and other designated contributions provide funds for general maintenance, maintenance contracts, repair projects, utilities, cleaning supplies and equipment, trash collection, snow removal, and recurring maintenance inspections. The facilities budget also pays the property tax on the additional parking lot SCPC owns and leases to the State College Borough. In 2022, the B&PC proposed budget breakdown of the Facilities budget line (\$94,000) is:

Utilities (Electricity, Water & Sewer, Trash, Natural Gas)	\$ 26,654
Taxes	\$ 6,444
Maintenance Expenses (Supplies, Snow Removal, Building Repairs)	\$ 51,902
Maintenance Contracts	\$ 9,000

Only the Maintenance Expenses are available funds to support discretionary building upkeep and repairs. The other three categories are annual fixed costs. Historically, the building maintenance budget has been underfunded. As a church, we should be budgeting 1-2% of the value of our property (currently just under \$10,000,000) for maintenance contracts and expenses.

The 2021 B&PC members were Clark Moose (Chair), Scott Banfield (Deacon), Glen Blume (Minutes Recorder), Carolyn Bryant (Session), Al Butler, Dale Cox, John DiNunzio (Session), Don Hartzell (Past Chair), Todd Hockenberry (Building Manager), Dean Lindsey (Pastor), Pete Moyer (Session), Jim Powers, Scott Sesler and Laura Steager (Stay &Play Director).

<u>Routine Maintenance and Repair Projects</u>. During 2021, the B&PC oversaw numerous recurring repair, renovation, and maintenance projects and continued its efforts to support sustainability and energy efficiency. SCPC continues to be certified as a PC(USA) Earth Care Congregation. (Note: "Building 1" refers to 1914 Sanctuary building; "Building 2" refers to the 1948 education building that contains the main office; "Building 3" is the 1994 education wing.) During 2021, B&PC coordinated the completion the following significant projects:

- Repair/repainting of two remaining stairwells; Bridge stairwell (completed in Dec. 2020) and Maneval Garden stairwell (completed in Jan. 2021); project partially subsidized by donation from Don and Mary Hartzell. – Greenland
- Repaired handicap access lift behind the stage.
- Replaced a non-functional steam trap on boiler heating system. McClure
- Replace rain downspout along alley with added heating tape to remove ice buildup; re-sealed sidewalk and building #2 foundation joint to prevent water egress. Greenland
- Removed raised sidewalk lip (to prevent tripping hazard) along alley. Greenland
- Replace spouting on Building #2 in Maneval Garden. Marcon
- Replaced second floor wooden fire escape door to meet fire code with steel door. Nittany Building, SMART painted
- Replaced several worn entrance floor mats due to tripping hazard. Todd
- Performed annual exterior window cleaning of Building #1, #3 and Bridge.
- Renewed contract with Water Treatment by Design to monitor and treat the water used by the boiler on a monthly basis and also monitor water softener. – Action will extend life of boiler and components.
- Replaced aged trash dumpster to meet State College Borough code.
- Purchased additional "Church Parking" signs for parking lot. Todd
- Purchased "Private Dumpster—Church Use Only" signs for new dumpster. Todd.
- Renewed snow removal contract with Todd Fuller.
- Replaced gingko tree with two smaller trees; a wildfire black gum and a hybrid autumn blaze maple.
- Inspection and cleaning of all roofs with image documentation. Marcon
- Replaced both primary and secondary condenser pumps on boiler. McClure.

Todd, Stay & Play staff, SCPC staff, volunteers, maintenance persons and contractors executed the COVID safety protocols that were continuously updated and implemented to complete the 2021 listed tasks. Additionally these protective protocols supported the many day-to-day cleaning tasks of church activities (Stay & Play, outdoor/indoor worship and weekly programs).

<u>Restoring God's House (RGH)</u>. As a result of the 2016-2017 Capital Campaign, the SCPC congregation donated \$1,172,367 towards a goal of \$1,000,000 to tackle 10 building renovation projects and establish a B&P Maintenance Reserve fund. The reserve funds were and will be used to address other anticipated projects, such as slate roof repair (2020), exterior stone maintenance (initial assessment approved 2021), and major heating and plumbing expenses beyond the current items which the Restoring God's House campaign is addressing.

The following table shows expenditures as of the end of 2021 on the 10 categories of renovation and repair projects outlined in RGH literature. Bear in mind that the budgets for each category were in some cases based on contractor estimates and were fairly accurate, and in other cases were our best guestimate. When restoring a 107-year-old structure, we anticipate encountering additional expenses. Most remaining repair/upgrade tasks must be scheduled during the summer months to avoid

Page 24

In 2021, Gavek Graphics, Centre Hall, PA, replaced the church's three wooden exterior free-standing street signs with high density polyurethane signs. The sign at the corner of W. Beaver Ave. and Fraser St. includes a replaceable placard to advertise the weekly Worship time.

Additional future building projects included the approval by Session of the B&PC recommendation to hire Restoration Artisans to perform a site visit, examination by drone, mortar sample testing, damage assessment, recommendation of restoration materials and procedures. This initial assessment of the mortar and stone condition on the exterior of our beautiful limestone Sanctuary will be funded from the RGH Reserve account.

Special recognition to Dale Cox, Don Hartzell and Scott Sesler for going "above and beyond" on a weekly basis steering the Restoring God's House effort. In 2021, we mourned the passing of a corner-stone member of this core group. Thank you Al Butler for your leadership and humor.

<u>SMART</u>. The <u>SCPC Maintenance and Repair Team</u> (SMART) is our "self-help" building and grounds maintenance and repair team organized by Don Hartzell. The team meets the third Tuesday of each month from January to November. Due to COVID-19, SMART did not re-start working at SCPC until June 2021. However, in this foreshortened year, we were still able to devote over 200 person-hours to various small to medium sized tasks in support of general church maintenance and repair.

The SMART Work Day was started by Don Hartzell in 2013 based on his knowledge of congregation members that devote every Thursday to maintaining, repairing, and building structures, furniture, etc. for Camp Krislund. SMART members who devoted time this year included: Donna Heebner, Sharon and Ken Manno, Margaret VanFossan, Carol and John Graham, Judy Killam, Jane Butler, Bill Lukens, Bob Johnson, Don Hartzell, Glen Blume, Dale Cox, John DiNunzio, Pete Moyer, and Scott Sesler. It must be noted that Judy Killam, Jane Butler, Margaret VanFossan, Donna Heebner, and Sharon Graham religiously (no pun intended!) come in weekly to trim, weed, plant, and otherwise spruce up our gardens, shrubs, and the Columbarium.

Together, the SMART accomplished the following tasks in 2021:

- Refinished <u>82 window sills</u> in the sanctuary and education buildings.
- Touched up numerous marks and scratches on the pews and woodwork in the sanctuary and in the education wing.
- Refurbished the table storage cart in Westminster Hall.
- Installed 10 new Church Business Only parking lot signs.
- Installed Church Use Only signs on the new SCPC dumpster.
- Painted metal louvers in the stone wall along W. Beaver Ave.
- Painted the interior and exterior of the rusted boiler room exit door.
- Touched up painted woodwork in Westminster Hall numerous times.
- Re-painted one wall in the parking lot stairwell.
- Refinished and hung a Presbyterian cross in the parking lot entrance that used to hang under the Chancel window.
- Painted the interior and exterior of the new second floor fire escape door.
- Trimmed bushes, weeded gardens, and maintained the Columbarium.
- Eliminated a Stay and Play safety hazard by removing shelves from the whiteboards in Rooms 103 and 203.
- Touched up the walls in the new office conference room (Mike Osaki's former office)
- Re-painted trim on the Fraser St. entrance porch.
- Trimmed the maple tree by the handicap entrance on W. Beaver Ave.
- Refinished the baseboard under the second-floor hallway water fountain.

We appreciate the efforts of Boy Scout Troop 32 in helping to maintain our grounds.

Many thanks to our dedicated Building Manager, Todd Hockenberry, for his frequent on-site updates to the B&PC during the increased building events in 2021 and his updating and implementation of safety protocols. Welcome to Todd's daughter, Lindsey, as part-time custodian supporting the additional building activities in 2021.

Respectfully, Clark Moose, Building & Property Committee Chair

The 2021 Annual Report of the Education Ministry Unit (Children & Youth) ~ Ryan Gilmore, chair

On behalf of the Education Ministry Unit (EMU), I would like to thank the dedicated staff, teachers, and church members who volunteered their time, talents, and resources to

the educational mission of the church. Similar to 2020, 2021 was a year that presented many challenges and uncertainty. However, 2021 saw the transition from a remote environment to an inperson setting for our Stay & Play Preschool, Sunday School, LOGOS, and FISH programs. While in some cases, if not all, these programs may look different to accommodate required safety protocols, it offers hope for a future free of pandemic concerns. It enables our youth, staff, volunteers, and members to participate and enjoy the many programs SCPC offers. What a joy it was to see the children lead worship services during the year and on Christmas Eve.

The Education Ministry Unit (EMU) is charged by Session to develop, promote, coordinate, and supervise the total Christian Education program of the church in cooperation with the Director of Christian Education. SCPC has vibrant youth programs for infants to college age students, guided by a dedicated team of staff and volunteers who share and continue their faith journeys with the youth in their programs. More information about these exciting and rewarding programs, and how to participate, can be found on our church website: <u>www.scpresby.org</u>.

Programs:

- Sunday morning programs
 - Sunday School 3 years to Senior High, between services using various curriculum from PCUSA and other sources to teach the Bible and our Christian faith
 - Movement & Music 3 years to Kindergarten, 2nd half of 9 AM service for singing, dancing and hand motions to both Christian and non-Christian music
 - Children & Worship 1st & 2nd graders, 2nd half of 9 AM service for "Godly Play" curriculum to learn the Bible and about worship
 - Summer Sunday School 4 years through 2nd grade during 2nd half of 10 AM summer services, different themes and teachers give students and youth helpers exposure to Bible stories, Bible time traditions and arts and crafts, Sunday school meets vacation bible school
- Mid-week programs
 - LOGOS activities in four parts, Bible Time, Activity Time, Family Time (includes dinner) and Worship Skills
 - \diamond **Geckos** 1st through 5th grade, Tuesdays from 4 7 PM
 - \diamond **Chrysalis** 6th through 8th grade, Tuesdays from 5 8:00 PM
 - ◊ FISH 9th through 12th grade, Wednesdays from 6 8:30 PM for large group and small group discussion, singing and sharing, includes dinner
- Infant & Toddler care
 - Stay & Play Preschool Ages 1 4 years old, a state licensed preschool option for both members and non-members following PA Early Learning Standards
 - Childcare offered for infants through toddlers during worship services and special programs, a safe space staffed by qualified paid and volunteer childcare workers so parents can focus on worship or the program that they are attending while children play

Special Programs

- **Explore (formerly Confirmation Class)** 9th grade and up to explore Christian faith, what it means to be Presbyterian and what is next in the faith journey
- **McGeary Scholarship Fund** provides funds for education expenses in a ministry related field of study
- Safeguarding Children & Youth administration of policies and best practices to keep children and youth safe, providing training and adhering to PA laws for volunteers and leaders who interact with minors
- **POLO (Parents of Little Ones)** ministry provides group discussion in Christian values with parents.

Highlights from 2021

- While some of the programs noted above have been modified most continued in some form in 2021: Sunday Morning Sunday School, LOGOS, FISH
- Continued to make Sunday School Lessons available while we were still fully remote
- Sunday School, LOGOS, and FISH transitioned to in-person fellowship during the fall of 2021
- EMU meetings were held monthly via Zoom
- Through a generous donation by a family in our church congregation we were able to distribute 35 Lenten craft kits to families with preschool/elementary aged children
- Distributed second grade bibles
- 9 youth joined the church through the EXPLORE program
- Offered Seasonal Devotionals and Activities for grade school-aged youth for the Lent and Advent seasons
- Provided two Safe Church Training sessions in December. For additional information about Safe Church Training visit the SCPC website: https://www.scpresby.org/safeguarding-our-children.html

Education Ministry Unit members for 2021: Patt Campolongo (SS Superintendent), Mary D'Ambrosia (Session), Ryan Gilmore (Session), Bob Igo (Session), Clark Moose (Session), Mike Ozaki (AP for Mission & Youth Programs) (resigned in 2021), Melissa Pike (Member at Large), Keri Rounsville (LOGOS Director), Deannine Shipman (Director of Education), Laura Steager (S&P Director), Pat Strong (S&P Advisory Team), Heather Steel (Deacon).

Please refer to the annual reports from staff for more details on the 2021 programs to support our children and youth programs and please consider participating in the many volunteer opportunities available to showcase your talents within SCPC.

The 2021 Annual Report for LOGOS-Chrysalis (mid-week program for middle school youth) ~ Laura Essinger-Hileman, coordinator

together at the church. However we met, the youth and leaders have found ways to connect with each other no matter what has happened. Our Chrysalis folk are consistent in their desire to stay connected and show up to make those connections happen. The leaders (Greg, Gino, Katherine, Diana, and Laura) have been flexible and steadfast. Through it all, safety and wellness has been a priority and each member of the Chrysalis community has done their part to make our time together the best it could be.

The spring started on Zoom, where we were able to see and hear each other even if we weren't able to be physically together. We found some great games that we could play, had many good discussions with each other, and cooked meals together. We even had a virtual variety night where youth and leaders alike shared their talents. As the spring progressed, we were able to take advantage of good weather and meet outside. We hiked, we played games, and we were even able to sing all together once again for the first time in a long time. As the school year came to a close, we lovingly sent our 8th graders onto high school with affirmations of how truly wonderful each of them are.

After many years with Chrysalis, we also said "see you later" to our intrepid leader Diana Malcom. I (Laura) am honored to have been asked to head this wonderful group of youth and other leaders. I can only pray that I will bring as much love and joy to the position as Diana has, as she has been the best example I could have hoped to have. Diana still joins us occasionally on Tuesday nights and we cherish her presence every time.

In September, we began anew – the leaders were able to welcome youth back into the church, where we gather and have fellowship every Tuesday night. This year for our theme, we are focusing on words that start with each letter of the alphabet - and yes, there are exactly 26 gatherings planned for Chrysalis this school year! The inspiration for this comes from a book called *Mercy & Melons: Praying the Alphabet by Lisa Nichols Hickman. Each week we are focusing on two words that begin with the same letter, first "a word that celebrates an ordinary thing and another word that names a holy quality about God". Every night we end with sharing our own two words that start with that week's letter, which can be fun but also challenging at times!*

Even though we still wear masks and keep our distance, it feels amazing to be back together in community at the church. We welcomed our newest LIT (leader in training) Olivia, who connects so well with the youth. We have been able to lead worship with the help of Ned, enjoy meals together (though we have to talk a bit louder from so far across the table 2), play games, and talk about many things. Our current 8th graders help lead activities and discussions. We went Angel Tree shopping downtown and had our Christmas celebration in Westminster Hall. We were also able to go on retreat together to Krislund camp, a weekend that always brings the group closer and gives us an opportunity to see glimpses of God in each other and the surrounding beauty of nature. Through it all and no matter how it happens, meeting with the Chrysalis group brings me joy and reminds us all of the love that grows when we build community with each other.

Laura Essinger-Hileman, Coordinator for Middle School (Chrysalis)

The 2021 Annual Report of the Adult Education Committee ~ Jenny Van Hook, chair

As part of the Education Ministry Unit, the Adult Education Committee plans, develops, and sup-

ports educational programs each week for our adult members and guests. Our goal is to complement the Sunday morning worship experience through presentations, discussions, and studies designed to encourage a deeper understanding of Scripture and to explore issues of interest to the church as a community of faith.

This past year, we held virtual adult education sessions during the first half of the year and inperson sessions during the summer and fall. Virtual sessions were offered on Zoom or YouTube. Despite the new venue, those offering adult education sessions were successful in their efforts to provide meaningful presentations and lively discussions. Additionally, the in-person sessions were well attended, usually drawing anywhere from 10 to 30 people.

We were blessed with a number of wonderful presenters. They included Darrell Velegol, Craig Zabel, Karen Neff, Sara Rich, Charles Curley, Josh Boyd, Dean Lindsay, Ann Killebrew, Michelle Yarwood, Allison Maus, Liane Roe, Carrie Miller, Daniel Falk, Collin Wildridge, Jason Dauer, Greg Williams, Connie Curilla, Paul Mortimore, Peggy Lindsey, Ned Wetherald, Heather Bruhn, and the Social Justice and Mission Team. We apologize to anyone whose name we missed, and we thank all presenters and participants in adult education for sharing their expertise, time, experiences, understanding, faith and questions.

Our committee is blessed with dedicated members who bring a tremendous amount of wisdom and a variety of perspectives to our discussions. Joseph Phillips continues to serve as our secretary and communications liaison. Our staff representative, Deannine Shipman, SCPC's Director of Education and Programs, provides invaluable assistance through her input to the committee and communication with other members of the church staff. Other members of the committee include Rick Bryant, Kimberly Dawn Falk, Richard Page, Beth Farmer, and Michelle Yarwood. New members would be most welcome, so please let me or Deannine know if you are interested in serving on the Adult Education committee.

For 2022, we ask everyone to take note of the new schedule that started on January 9, 2022. Adult Education will be held from 9:00 to 9:45 am on Sunday mornings, <u>before</u> the 10:15 worship service. We encourage you to arrive just a few minutes early, grab your coffee or tea if you wish, and

come straight over to Adult Education in Westminster Hall. We will start promptly at 9:00 am and finish by 9:45 so that people have time for fellowship before the worship service.

We are blessed to be part of a community rich in educational resources, and we hope to provide opportunities for even greater interaction as we worship, serve, and learn together.

Jenny Van Hook, Adult Education chair

The Financial Affairs Committee, under the direction of Session, is responsible for all the business and financial affairs of the church.

The 2021 Annual Report of the Financial Affairs Committee ~ Jason Stimmel, chair

Members of the Financial Affairs Committee review and monitor the accounting of all monies received and dispersed by the church, handle investments, prepare goal and operating budgets, submit for the payment of employees, and maintain adequate insurance. The committee also provides recommendations on financial policies and is responsible for protecting all legal documents, corporate papers, contracts, and other effects of legal worth. These activities are handled at our monthly meetings and through weekly payment approval sessions with the financial administrator.

Each year, FAC develops a balanced budget that seeks to accommodate expenditure requests received from Ministry Units/Committees while matching those requests with the overall projected annual income which includes pledged giving. In 2021, a budget of approximately \$1.02M was proposed which included \$812k in Giving and the use of Operating Reserve Funds to cover the income gap.

This past year we were witness to many changes, to both our church family and to how our church functions because of the continuing pandemic. Some of the trends and changes began before the pandemic hit and were only made more prominent because of the continuing pandemic. We have seen changes to our staff, a return to in-person services, a restarting of our youth ministry programs, and many blessings. We have also seen a change in attendance and membership, a pivot to providing live online access to services, and big changes to the pledged giving trends. These changes have affected both income and expenses and provided new challenges for us to manage. However, our church is very blessed with a solid financial foundation built on our endowments, designated funds and memorial funds that represent the incredible generosity of so many members of our church family.

To address these challenges head-on, the Financial Affairs Committee has increased our stewardship of our finances by tracking all income and expenses on a weekly basis. Finance has now been tracking income and expense trends for over 20 months and coordinating with our Financial Administrator to keep a pulse on cash flow. We are now actively utilizing this fiscal data to develop trends and provide the ability to forecast future income needs. The Finance Committee also undertook a massive task to review and update all financial policies with two primary goals: 1) to address issues provided by the Internal Audit Committee's report, and 2) to revise how all designated and memorial funds are managed to be better stewards of those funds. The result were new financial policies that were vetted and approved by our banking consultant, our investment counselor, by members of the Internal Audit Committee and by Session.

As we close the books on 2021, we are ending the year as budgeted, with income and expenses within 2% of budgeted goals! For that blessing, Finance wants to give everyone a shout-out of gratitude for meeting your pledged requirements. Because of your generosity and the continuing benefits provided by the infusion of the Federal PPP Grant funds in 2020, for a second year we have not required supplemental income from our endowment reserves, allowing them to grow and recover which will benefit future budgets for many years to come. As an added blessing due to your generosity, Finance was also able to recommend a year-end bonus for all staff as a thank you for their dedicated service throughout the past year-and-half of challenges.

Looking ahead, the proposed budget for 2022 was set to show a total annual income and expenses of \$1.04M. The budget includes expected congregational giving of \$815k based on the responses to

the Stewardship Campaign, with additional financial support being provided from available endowment income and operating reserves. The 2022 budget is in-line with the prior year's overall budget and was developed from a thorough review of current financial trends (both in giving and expenditures) and included collaboration with all ministry units to incorporate their proposed and planned spending. This includes an increase in funds to Mission, to support our community and abroad, and to the Personnel budget, to incorporate proposed new part-time and full-time staff positions that will support the mission and youth ministry needs of this congregation. Your generosity provides SO MANY BLESSINGS!

Although we expect that 2022 will present new fiscal challenges to our church as we continue to navigate the uncharted waters of this COVID-19 pandemic and future changes to staff, we remain blessed as a church and congregation. Through our many blessings, we can propose a 2022 budget that is balanced and covers all planned increases in expenditures, allowing for our church to grow in our outreach and in our mission to be God's Grace in our community and abroad.

In 2021, the members of the Financial Affairs Committee were: Elders Carolyn Bryant, Bob Igo, and Jason Stimmel (chair); and Deacon Jeff Rounsville. I would also like to acknowledge Rev. Dean Lindsey for his leadership and support, and to give a loud resounding THANK YOU shout out to our Financial Administrator Michelle Fortin, and Assistant Financial Administrator Anne Thomas, for their diligence and hard work on behalf of the church.

Jason Stimmel, Treasurer and Chair of the Financial Affairs Committee

The 2021 Annual Report of the Membership Ministry Unit ~ John Graham, chair

The Membership Ministry Unit has the responsibility of maintaining accurate membership rolls. To establish our annual

assessment to the Huntingdon Presbytery, rolls are reviewed annually. Our 2021 assessment was \$38.15 per active member but our responsibility to Presbytery was based on the 2019 year-end membership number of 814 (per Presbytery). The actual 2021 year end membership was 788.

During the first six months of 2021 our Sunday services were virtual, live-streamed and posted on YouTube. In June we began a single live service and we re-started the Second Sunday Joining opportunity at the conclusion of the service. In the fall we went to two services with the Second Sunday Joining held after the first service. Even though our attendance was affected by COVID protocols, we continued to have a moderate but steady number of visitors. During the entire year we welcomed 9 adults and 9 youth into SCPC membership. We are optimistic, that, as we go to a single service in 2022, we will be better able to personally greet and introduce visitors to our church and ministerial staff.

Our committee functions include scheduling Second Sunday membership opportunities where one of our pastors and three elders meet with prospective members to join the church or to ask questions and get to know our pastors. We also schedule greeters for Sunday service and other special events and elders for the Information Desk. We are responsible for correspondence to visitors considering membership and we monitor visitors via the pew pads each Sunday when there is in-person

Annual Report 2021

worship. Personal contact is emphasized as we attempt to meet visitors personally when possible. Follow-up phone calls are made when needed.

Our ministry unit enrolls new members, help them feel welcome, and support and involve them in SCPC programs that suit their interests. Having a strong, supportive, and active membership is important to the stability and growth of every church. The Membership Ministry Unit is sincerely thankful for the support of our SCPC family.

A sincere thank you to Martha Trout, Membership and Program Associate for her wonderful support. And thanks to unit members: Elders John Marsden, Karen Christman and John DiNunzio and members Mary Hartzell, Becky Thomas, Lynne Verity, Linda Finley, Nikki Blake, Sharon Ambrose and Deacon Representative, Juli Mortimore.

John Graham, Membership Ministry Unit chair

The Personnel Committee is responsible for matters pertaining to the compensation, care and welfare of the staff.

The 2021 Annual Report of the Personnel Committee ~ Cam Richardson, chair

PC serves as the grievance committee to resolve per-

sonnel disputes between employees and the Head of Staff/Pastor, maintains and updates the Church personnel policy manual, and makes recommendations to Session regarding the hiring of staff.

The PC's work this past year has revolved largely around supporting the Staff as SCPC navigates toward a new normal post-pandemic.

Specific efforts in 2021 include:

- Working through childcare coordinator challenges
- Supporting Michelle Fortin (*Financial Administrator*) in aligning Allison Maus's salary to the Presbytery's 2% increase to minimum Terms of Call
- Instituting a market adjustment for Todd Hockenberry (*Building Manager*), on the recommendation of B&P
- Instituting a mid-year salary adjustment of 1.5% for all staff
- Supporting Building Manager through a transition of evening custodial personnel (from Colett Spicher to Lindsey Hockenberry)
- Planning for Lindsey Hockenberry's maternity leave in (Jan-Feb)
- Supporting Michelle Fortin with benevolences through the pandemic
- Welcomed Scott Sesler to the personnel committee
- Ensured Aida Pistone (*Stay and Play Assistant Director*) was included in the staff section of the website
- Supported Mike Ozaki's transition to another call
- Supporting the development of a Director of Youth Ministry position, with the support of the Youth Ministry Visioning Team
- Supporting Social Justice and Mission Team in the interim
- Finalizing Allison Maus's ordination

- Supported Janet Heasley's (Church Secretary) retirement, with Anne Layng's support
- Adjusting positions, work hours, and work space for staff whose work hours and processes were differentially affected by the pandemic
- Supported the transition to interim Church secretarial support from full-time to ¾ time, with Cheryl Price's support through the transition
- Adjusting hours for evening custodian as programs open up
- Supported the hiring of Laura Green (Church Secretary)
- Supported the transition in leadership of Chrysalis from Diana Malcolm (after 20 years) to Laura Essinger-Hileman
- Supported the interim plan for the fall FISH retreat (ultimately cancelled)
- Supported a bonus to staff, per FAC recommendation

Members of the Personnel Committee: Pastor Dean Lindsey, Elders Barbara Cox, Karen Christman, Scott Sesler, Cameron Richardson (Chair), Jennifer Creighton (Deacon).

A heartfelt thank you to you all, who are the Church; to the other committees with whom we have had the privilege of working; and to the Staff for their dedication and time throughout another challenging and yet rewarding year. Benedictus!

Cam Richardson, Personnel Committee chair

The 2021 Report of the Racial Reconciliation Committee ~ Sharon Manno, facilitator

The Racial Reconciliation committee met bi-weekly during 2021 except for the summer and early fall. Meetings were

held via zoom and focused on educating members of the group using reading materials and on-line videos and podcasts, selected by the group, continuing the format of 2020. Participants recognized that knowledge of the history of racial discrimination and of the leaders in the work toward racial and minority equality for black, brown, and native people was limited, making an understanding of that history the necessary first goal. Towards the end of 2021, the participants decided that a mission statement would benefit the group, to better define a direction for future activities; currently, this is a work in progress. As participants have met, close friendships have also developed and that is viewed as an unforeseen benefit of the gatherings. The meetings of the group are open to all, either to participate on an on-going basis or to drop in occasionally. We agree that we've learned much and invite others to travel this road with us.

Thank you to Rev. Dean Lindsey and Associate Pastor Allison Maus for their thoughtful support, ideas and advice.

nomically and socially disadvantaged, in our local community, across the nation, and the larger world. This team represents the spirit of the church, and our goal is 100% participation, across the congregation, in at least one mission-related initiative per year: in deed, financial support, or in prayer.

2021 was a year of transition for SJMT. I took over from Mitch Kirsch who has served as SJMT chair for many years. Mike Ozaki left SCPC in July for a pastor position in North Dakota. This left us without staff support, although Michelle Fortin and Laura Green were extremely helpful in directing mission-related requests to us. We are currently pursuing a part time staff support person to fill the mission part of Mike's position. My thanks to the Personnel committee and Session for their help in this matter.

Because of concerns about the coronavirus, all of our meetings were held on Zoom this year. My thanks to Martha Trout for her assistance.

Since requests for housing assistance dropped off this year, we decided to again support local and international agencies that SJMT has supported in previous years. Letters were sent out in March to the local agencies we have supported in previous years asking for their needs in 2021. We got a great response including meeting with representatives from Out of the Cold, Youth Service Bureau, and Housing Transitions.

Our international support included financial support for the Haitian American Friendship Foundation (HAFF - Connie Curilla) and Hekima Place in Kenya.

Local support included Interfaith Human Services, Youth Service Bureau, Out of the Cold, Centre Volunteers in Medicine (including Hearing Aid Support), Centre Helps, Park Forest Day Nursery, Centre Safe, Housing Transitions, Camp Krislund, Bridge of Hope, State College Food Bank and ARC of Centre County. Funds for these agencies were distributed in March, September and at the end of December, 2021.Other local support included rental assistance for a grad student and Mental Health assistance for a church member.

Special Projects included the assembly of 30 Disaster Relief Buckets for Church World Service (thanks to donations and assembly by church members), Angel Tree donations to local agencies and nursing homes (special thanks to Carrie Miller and FISH), and the annual Christmas Dinner for our church and community. 204 meals were prepared this year thanks to the tireless work of many volunteers. We again hosted 20 Out of the Cold guests at local hotels from December 20 to 26. This included providing and packing meals and donating gift cards for the guests to use on December 25th and 26th giving OOTC staff a much needed break.

Two special offerings were collected including One Great Hour of Sharing during April, coinciding with Easter (\$4,500.00), and the Peace and Global Witness Offering collected in early October (\$2,200).

We hosted an Adult Education Class on December 12, 2021, to inform the congregation of our work locally and around the world. Many thanks to Bizz Maser for putting the program together.

I would like to thank the members of our committee: Mitch Kirsch, Beth Farmer, Reed Miller, Maggie Foster, Bizz Maser, Curt Dell, Carrie Miller and Charles Ascolese who has been our representative to Out of the Cold. Their dedication and friendship have been an inspiration to me.

Finally, I want to thank the State College Presbyterian Congregation for your financial support and prayers.

Respectfully submitted, Bill Lukens, Social Justice & Mission Team Chair

The 2021 Annual Report of the Spiritual Life Ministry Unit ~ Linda Edvar, chair

"Our mission statement is to awaken, enhance, and nurture the spiritual life of the church members for the work of the ministry."

Committee Members: Allison Maus, Staff; Linda Edvar, Rob Huffard, Jane Butler, Miguel Cruden, Mary Jane Kistler, Roger Garthwaite, Dee Ann Wylie, Darrell Velegol

Throughout this year our ministry team met via Zoom. Our discussions focused on what could we offer the congregation to encourage and support their spiritual life in a time of virtual living and learning.

Advent and Lenten devotions, written by congregation members and friends, were offered during those seasons. Allison and Mary Jane organized them.

Darrel Velegol led us through his program "5 Steps to Innovation for God and Your Neighbor".

The theme of the fall retreat in October was "Better Together: A faithful Walk Through Trying Times". The retreat was held at Millbrook Marsh. Based on three scriptures: Matthew 9: 1-8; Mark 2: 1-122; and Luke 5: 17-26, personal reflection on these scriptures and small group discussions enabled participants to consider what the passages were saying to them and how to apply them in their daily lives. The retreat ended with a boxed meal and a prayer circle. Requests for more events like this were offered by the participants.

Several small groups continue to meet via Zoom with some either meeting in person or virtually, or with a combination of the two methods. Wednesday in the Word meets via Zoom and in person with 12-14 women attending each week for fellowship, study and prayer, led by Connie Curilla. The Men's Covenant Group, led by Rob Huffard, meets on the 2nd and 4th Thursdays; Men's Bible Study has also been meeting on Monday evenings, led by Bob Igo.

Centering Prayer co-led by Mary Boutselis and Mary Jane Kistler, meets every Monday evening via Zoom.

Congregational Prayer meets every Tuesday from 12-12:30 pm via Zoom, facilitated by Allison.

Spiritual Direction: SCPC is home to a number of trained spiritual directors who may be contacted directly or through the church office for appointments. Directors are: Jackie Naginey Hook, Zack Maser, Mary Boutselis, Mary Jane Kistler, Paul Meister, and Rob Huffard.

In 2022 Jackie Naginey Hook and Zack Maser will be leading a "Helping Grieving Hearts Heal" program. We are also working on ideas for Lent.

Linda Gaul Edvar, Spiritual Life chair

As we begin a new year, it's easy to reflect on how far we have come from the beginning of 2021 and how far we still are from where we hoped

The 2021 Annual Report of the Worship Ministry Unit ~ Susan Sanders, chair

to be at this point. The most important thing to remember is that God continues to walk with us through every challenge and that worship remains a vital part of the life of SCPC! Most of the credit for this success goes to our outstanding worship staff, Dean Lindsey, Allison Maus, Ned Wetherald, Deannine Shipman, and Mike Ozaki until his move.

As in 2020, much of the work of the Worship Unit has been focused on adapting to the everchanging pandemic conditions. We are grateful for our Medical Advisory Committee who have guided us throughout the year so that we make good and safe decisions about worship offerings. We began the year fully remote with a pre-recorded YouTube service. Slowly we were able to return to in person worship although we were outside in small numbers. Our Easter services at Windswept Farm were beautiful and went far beyond being mere accommodations to COVID. By summer we were able to return to worship in the sanctuary. A Livestream YouTube service replaced the prerecorded service and allowed us to continue to offer worship to anyone who was not able to worship in person. It was wonderful to be able to lift the restrictions on numbers of worshipers and to be able to sing hymns and to appreciate the richness that our Chancel, Bell, and LOGOS choirs bring to the worship experience. The Children's Message returned as a feature in August and all of us have been blessed by seeing our church's children gather on the sanctuary steps with Ms. Deannine!

Following the return to in person worship, the Worship team began to consider our worship schedule. After much discussion the recommendation was made to Session to go back to our previous schedule of two services at 9:00 and 11:15 am, with the understanding that we would monitor participation and the preferences of the congregation. In December, Session voted to approve a motion to change the Sunday morning schedule to have one worship service at 10:15 am. We are excited to see what this latest change brings, particularly as we focus on encouraging congregation members and visitors to safely worship together. As I end my term as chair of the Worship Ministry Unit, I want to express my overwhelming gratitude to the members of the committee: Dean Lindsey, Ned Wetherald, Beth Farmer, Bill Lukens, Joe Phillips, Anne Layng, Tracy Massaglia, Joan Hartman, Elliot McLaughlin, and John Robison. Their commitment to our church's worship experience has made my job easy for the last six years!

The 2021 Annual Report of Stay and Play Preschool ~ Laura Steager, Director

Our Mission Statement: Stay and Play provides a preschool and childcare program where both chil-

dren and adults feel loved, supported and empowered in an environment *of compassion, respect and trust*. Each child at Stay and Play is treated as a unique creation and is nurtured in his/her diversity and individuality.

Compassion, respect and trust continue to be instrumental to our ability in continuing to operate during this pandemic. The pandemic continued to affect our program in many ways. There were needs for quarantining classrooms and constant monitoring of children and protocols to insure we were consistently protecting everyone to the best of our ability in order that the effects of COVID were minimized. While the stress on the staff this year has been heightened as the virus seemed to be more active and impactful in the lives of everyone, they continued to be dedicated to the children and the program. The staff have been truly amazing at fulfilling their roles as compassionate, respectful and trusting teachers.

Stay and Play is a part-time program licensed by the Dept. of Human Services, for 35 years offering affordable quality childcare and preschool programs to families of our community. Each year the good reputation of the program continues to bring new students/families via word of mouth. As a part-time program, we are open September – May. Only open in summer for 2 different weeks of summer camp for one class of 3-5 year-old children – one week in July and one in August. Summer camp was almost 100% full both weeks in summer 2021. Our school year enrollment was about 84% for most of the 2021-2022 school year.

We made several changes in addressing best practice due to the pandemic. One such change is that we now use a staggered time frame for the drop-off and pick-up of the children for their school day. Each morning class is still 3 hours long, however each class starts at a different time: Darling Deer (1 year olds): 8:45am -11:45am Terrific Turtles (2 year olds): 8:50-11:50 Wonderful Wolves (3 year olds): 8:55-11:55 Fabulous Foxes (4 year olds): 9a-12p Rainbow Raccoons (3 & 4 year olds): 9:05a-12:05p *This class meets only (MWF)

The afternoon class from 12:00-2:45 pm for 3 & 4 year-olds called Adventure Afternoons has been well attended. This class is an option for parents to extend their child's day if they wish. Many families choose a day or 2 a week for their child and some choose every day to extend their child's day. This option/class has been very well used by families this school year. We also offered Early Morning Drop off for those who needed it, starting that at 8:30am.

Summer Camps offered were both focused on principles of STEAM (Science, Technology, Engineering, Art and Math). The camps had up to 14 children all 3-5 years-old and ran from 9am-12pm Monday-Friday. July week was "Silly Summer Science Lab" and August was "Into the Wild" (exploring

Animals and Nature). The children had a blast! Our teachers were: Valerie Anderson, who teaches 3's & 4's during the school year, and Leanne Zuech a former S&P teacher, taught summer camp. And I believe they had as much fun as the children.

Our Teachers to start the 2021-2022 school year were as follows: Foxes – Sarah Marcon & Elizabeth Richardson

Raccoons – *Lauren Ferrer Pistone & Tricia Swisher

Wolves – Valerie Anderson & Chris Hunsberger

Turtles - Zsuzsanna Reimherr & Allison Woods

Deer – Katie Tanner & Christine Fritton

Music - <u>Alanna Leicht</u> (every week (2 days/week) to teach a 30-min. *music class* for each class) *Sadly Lauren of the Raccoons class took another job and left us at the end of November 2021 so our wonderful substitute teacher <u>Candi Parsons</u> has been covering consistently for us as we search for a new permanent teacher.

Substitutes: Candi Parsons, Patricia Campolongo, Rebecca Clayton, and Chris Storslee

Tuition rates are reviewed annually to ensure we are able to sustain the high quality of care we currently provide as well as remaining financially comparable to other childcare providers in this community. Tuition rates will increase for the next school year as seen below. We continue to be one of the most reasonably priced programs in the area. In addition, with tuition payments and support from federal grants we will meet budget for this current school year, without using up our reserve funds.

Current Tuition ra	tes for 2021-2022	Tuition Rates for 2022-2023
2 days/week:	\$162/month	\$167/month
3 days/week:	\$229/month	\$236/month
5 days/week:	\$363/month	\$374/month
Adventure Afterne	<u>oon:</u>	

Drop in Care:	\$18/afternoon	\$18/afternoon
Permanent day	<u>/s</u> : \$15/afternoon	\$15/afternoon

<u>Early Morning drop off</u> is a monthly fee based on the number of days/week it is used – that rate will stay the same as this school year.

We continue to participate in Childcare Information Services (CCIS) program which offers financial assistance to parents/families who are accepted in the CCIS tuition assistance program. We also continue to provide tuition assistance ourselves to those with a need for financial assistance but do not qualify for the counties CCIS program. 3 families in need this school year we have been able to assist. Maintaining confidentiality for these families continues to be essential. We continue to offer a staff benefit of 50% off tuition for staff children to attend S&P – we currently have only 1 child covered under this benefit.

The Stay and Play Advisory Team chose not to include the Nittany Lion Reads PSU students (formerly known as America Reads) in our programming for this school year due to the pandemic so that we could minimize exposure risks. We do hope to return to participating with this program again in the future.

A typical day continues to have:

Block Play, Math games, science experiments, lots of reading books, phonemic awareness work/play, some number and letter recognition, puzzles, floor games, table games, weighing things, measuring things, patterns, matching, all types of concepts (big/small, heavy/light, magnetism, buoyancy, etc.), dress up imaginary play, painting, gluing, folding, cutting, creating art, writing practice, playing with manipulatives to build and learn, working together to build, solve problems, indoor playground play &/or outside park play, music class, music in our classrooms, recycling, composting, celebrating holidays and birthdays, and so much more. All while having fun!

We have been able to continue offering the option for Speech (or other) therapists to come to the program to meet with students they work with. While we have chosen to keep them out of the classroom, we are offering another room for them to meet 1:1 with the student(s). We also were still able to offer vision screening and school photos safely during the pandemic for those children whose parents chose to take advantage of these offerings.

Throughout the spring/end of the last school year and into the Fall/beginning of this school year, the teachers have worked so very hard to find ways to share the children's Stay and Play school experience with their parents. It has been difficult during this pandemic to share since parents are not coming into the building to see classrooms, volunteering, etc. The teachers have done incredibly well with emails, sharing photos, notes, verbal communication and sending children's work home. This Dec. one of our classes was able to invite parents into the church sanctuary (all masked and distanced of course) to watch a small reenactment of the nativity story. The Wonderful Wolves (3 year-olds) acted out the story as their teacher, Miss Valerie narrated. Being able to do things like this safely indoors was so valuable to everyone. We also did a short Halloween parade outside for parents and hope to do more activities like this to bring the children's experience into the forefront for their parents. 2 of our classes currently have a display of some artwork at Schlow library in the Children's department through the month of Jan. 2022. What a great experience to showcase their work!

Annual Report 2021

The S&P families have continued to express great appreciation for our programming and for providing a loving, caring and safe place for their children to socialize, learn and grow – particularly now during this pandemic. They express true appreciation for our diligence in having, and observing, our Pandemic Procedures that keep everyone as safe as possible and allow their children a place to continue such a valuable experience. We are truly blessed to be able to continue to be open during this pandemic and are so very thankful to the SCPC staff, the SCPC medical support team, EMU, SCPC Session, the S&P families and all of the SCPC members who have continued to support and pray for us.

We continue to focus on "Play" as it is the work of children that allows them to learn and grow in developmentally appropriate ways. Play is the practice of all skills necessary in life both academically and socially. *"Play is not just about having fun but about taking risks, experimenting, and testing boundaries."* American Academy of Pediatrics

The Stay and Play telephone number is 237-1154, email is <u>stayandplayscpc@gmail.com</u> and our website is: <u>https://www.scpresby.org/stayandplay.html</u> We look forward to when we can have visitors again someday – however for now, no. So if you have any questions or would like to offer a recorded reading of a book or science lesson, or anything(!), please call or email. Thank you again for all you do to help Stay and Play Preschool have such a positive affect for so many in this community!

The 2021 Annual Report for Scout Troop 32 ~ Joel Ranck, Troop 32 Boys Scoutmaster Allen Haar, Troup 32 Girls Scoutmaster

State College Presbyterian Church re-

Oath and Law.

The mission of Scouts BSA is to prepare young people to make ethical and mor-

al choices over their lifetimes by instilling in them the values of the Scout

ceived a charter to conduct the Boy Scouts of America program in 1914, four years after this national organization was founded. Troop 32 has been continuously chartered by the Church since then, for 107 consecutive years, making it one of the longest continuously chartered troops in the United States, and the longest in Centre County, Pennsylvania.

2021 was a challenging year for the troop as it continued to execute a Scouting program during a pandemic. Troop 32 had 28 boys and five girls ranging in age from 11-17 active in the Scouting program in 2021. The Troop is youth-led, with advice and counsel provided by volunteer adult leaders, with 13 adults actively serving as Scoutmasters, and 8 adults participating as committee members in 2021.

The Troop participated in nine camping activities during the 2021 calendar year totaling 539 total nights camped by Scouts and adults. These numbers are lower than normal due to the pandemic. Typically, the Troop holds one weekend of camping each month of the school year, but the troop's first camping trip of 2021 occurred in April. Troop leadership chose to wait until the winter ended to camp because our younger Scouts are required to sleep indoors until the reach First Class rank. The Venture Patrol, Scouts between the ages of 13-and 17 who have demonstrated the skills and knowledge required to achieve the rank of First Class, holds additional, more physically demanding activities that might not be suitable for younger, less advanced Scouts.

The longest outing for the troop as a whole was a 5-night summer camp at Seven Mountains Scout Camp in July. The highlight of the year for the Venture Patrol was their high adventure trip to Florida Seabase. The older Scouts camped for six nights on a deserted island in the Florida Keys. Activities included canoeing, snorkeling and fishing for sharks.

Despite the challenges of the pandemic, the Troop's scouting program included a variety of activities: Scouts and adults backpacked/hiked 186 total miles, bicycled 652 total miles and canoed 252 total miles.

The Troop's service to the community in 2021 included 12 different service projects, with a majority of the Scouts and adults participating in more than one project. Some of the service projects included workdays to help Scouts complete their Eagle Scout projects. Other community service projects supported Wildlife for Everyone and the State College Food Bank. In total the Troop provided approximately 602 community service hours in 2021. While the Scouts adhere to the Scout slogan "Do a good turn daily", these larger community service projects help all who participate and practice servant leadership.

The Troop is proud of the outdoor skills, knowledge and achievements demonstrated by its Scouts. In 2021, Scouts earned 26 rank advancements in Troop 32. There is a plaque hanging in the hallway outside the church sanctuary that bears the names of those scouts from Troop 32 who have earned Scouting's highest honor, the rank of Eagle. One Scout from Troop 32 achieved Eagle in 2021. In addition, three earned Life, five earned Star, one earned First Class, one earned Second Class, seven earned Tenderfoot, and eight advanced to Scout. Scouts also earned 85 merit badges in 2021.

The Troop is blessed with outstanding volunteer adult leadership. These adults devote a great deal of time and effort to providing the Scouts with an outstanding and varied array of programs. Each Scoutmaster and Committee Member has completed youth protection courses and gone through Commonwealth mandated background checks and courses to ensure the safety of the Scouts. Additionally, a majority of these volunteers have given additional time and resources to complete position -specific training offered by the Scouts BSA.

Troop 32 meets each Monday evening when school is in session at 7:00 pm in Westminster Hall. We welcome young people in the congregation who may be interested in Scouting or adult members interested in providing volunteer service to our young people to join us for a meeting or an outing.

The members of Troop32 are grateful to the State College Presbyterian Church for its support. With the congregation's continued support, the Scoutmasters and Troop Committee of Troop 32 will con-

tinue to lead a program of activities that will allow our Scouts to explore leadership and to grow and develop.

The 2021 Annual Report of the Internal Audit Committee

Date: May 4, 2021

To: State College Presbyterian Church Session and Membership

From: Internal Audit Committee (IAC)

Re: Inspection of the 2020 State College Presbyterian Church Financial Records

The Internal Audit Committee inspected the calendar year 2020 financial records and reports of the State College Presbyterian Church of State College, PA (SCPC) and is pleased to submit this report of our findings. While our inspection was limited to testing the transactions and balances and would not necessarily disclose all errors, we found no evidence of significant errors or omissions. In our opinion, the SCPC financial reports are fairly stated.

Our inspection of the SCPC financial records followed the procedures outlined in the SCPC Audit Committee Procedures Handbook, as revised March 2021 (Handbook). Due to COVID-19 restrictions, our inspections were conducted in-person and via zoom. As noted in the Handbook, our inspections are not a complete audit of the SCPC financial position and are not guaranteed to be accurate. In issuing this report, we note that our inspections were not conducted in accordance with Statements on Standards for Accounting, Auditing and Review Services issued by the American Institute of Certified Public Accountants or performed in accordance with those prescribed by the Auditing Standards Board. Furthermore, this report is the committee's general opinion on the fairness of the SCPC financial records and reports, which may not necessarily be in accordance with Generally Accepted Accounting Principles.

While the committee found no significant sources of concern, we wish to bring the following items to the attention of Session and the Financial Affairs Ministry Unit (FAMU):

- 1. **Cash Receipts and Balances**: Policy states that members should be instructed to contact Internal Audit if a discrepancy exists with respect to notices of contributions. IAC recommends that FAMU examine the contribution notices templates to ensure that the congregation is aware that they should report any significant discrepancies to the committee.
- 2. Cash Disbursements: In reviewing the policies governing cash disbursements, IAC recommends that FAMU consider the following:
 - a. Set a maximum amount for cash disbursement before review and signature are required. Current policy is that all cash disbursements must be approved. This creates unnecessary tracking and approvals for small transactions, which is currently not being done.
 - b. IAC recommends that FAMU review the policy requiring two signatures on all checks over \$10,000. Is this limit appropriate? IAC is concerned that the dollar limit may be too high, however, the committee also appreciates that a limit too low would inhibit efficient operations. Furthermore, as more financial transactions become electronic, IAC recommends that FAMU set a policy with respect to approvals for electronic transfers and electronic bill payments.

- c. Policy requires that all "adjusting entries" be approved. IAC recommends that FAMU adopt a formal practice for reviewing such entries at its monthly meetings to comply with policy.
- 3. Payroll:
 - a. With the outsourcing of payroll functions to Keystone, IAC notes that most of the checklist items in the Handbook are now the responsibility of Keystone.
 - b. In reviewing the payroll, IAC noted that tracking of staff vacation time is somewhat ad hoc. Thus, IAC recommends that the Personnel Committee review the staff vacation time policies and tracking procedures. One specific concern is that the current policy may allow employees to accumulate a large balance of unused vacation time that could create a significant liability to SCPC when the employee leaves or retires. IAC recommends that the Personnel Committee consider setting a maximum number of days that can be accrued to limit this type of liability. Furthermore, we recommend that the Personnel Committee require a formal tracking of vacation time usage.
- 4. Endowment and Designated Fund Accounts:
 - a. IAC could not determine whether FAMU is following SCPC policy with regard to yearly reviews of endowment fund spending. We recommend that FAMU adopt a practice of conducting scheduled formal reviews of SCPC endowment and designated fund accounts.
 - b. IAC could not determine whether FAMU is following SCPC policy with regard to regular review of investment accounts and earnings allocations. We recommend that FAMU adopt a practice of reviewing the investment account earnings allocations at its regular meetings.
- 5. **Depository Accounts:** IAC could not determine that reconciliations of deposit accounts are reviewed on a regular basis. Thus, we recommend that FAMU adopt a formal process of reviewing the reconciliation of all depository accounts at its regular meetings.

6. Computing Facilities and Network:

- a. IAC notes that the financial records of SCPC are housed on the same wireless computer network used throughout the church. While the SCPC financial and business records are maintained on a separate password protected section of the network, IAC notes the potential for these files to be compromised by a hacker via access from the guest account side of the wireless network. The members of IAC are not internet or computer security experts. Thus, we recommend that FAMU investigate the security of the financial records on the SCPC wireless network.
- b. IAC recommends that all financial computer files be password protected and encrypted as part of the regular backup protocols.
- c. To enhance the security of electronic financial records, IAC recommends that SCPC staff adopt dual-factor authentication protocols to access all computer programs and files that contain financial or sensitive personal information.
- 7. Bank Safety Deposit Box and Safe:
 - a. IAC notes that the Financial Administrator has closed the SCPC safety deposit box and moved the contents to a secured fire-proof box in the

church office. We recommend that FAMU review and revise the policies concerning the use of a safety deposit box as current practice is not consistent with policy. For example, the use of a fire-proof box does not meet the policy requirement of having two signatures to access the contents.

- b. IAC recommends that FAMU review the contents of the safety deposit box to ensure a legitimate business need to maintain the contents and whether the fire-proof box in the church office is sufficiently secure for such contents.
- c. IAC notes a concern with the security and access to the SCPC safe. We note that the safe is accessed by a key located in the Financial Administrator's office. We recommend that FAMU review the policies and procedures associated with accessing the safe.
- 8. **Insurance Policies and Coverages and Property Inventory**: The members of IAC are not experts in insurance and thus are not able to comment on the adequacy of the various SCPC insurance policies and coverages. However, in our review we did confirm that the SCPC insurance policies are current. In examining the policies, we found the following areas of concern:
 - a. Liability Coverage it is unclear as to what perils are currently covered by the SCPC insurance policies. IAC strongly recommends that FAMU and Session conduct a thorough analysis of the insurance policies and coverages to determine if the church is sufficiently protected from claims arising from accidents, negligence, harassment, sexual misconduct, discrimination, or other possible liability claims.
 - b. Property Coverage IAC determined that an updated inventory of SCPC property does not exist. Thus, it is not clear that current insurance policies are adequate to protect the church's property.
 - c. Property Inventory considering the recent building renovations and lack of an updated property inventory, IAC recommends that the Building and Property Committee conduct a complete review and inventory of church property and coordinate with FAMU to ensure that the church's insurance policies are adequate.
 - d. Stay&Play and FISH IAC was unable to determine whether Stay&Play and FISH are covered by existing SCPC insurance policies or whether coverages are appropriate. We recommend that Session and FAMU review the insurance coverages and policies for Stay&Play and FISH.
- 9. **Retention of Records**: Current policy is for the Financial Administrator to digitize and then shred financial documents after 2-months. The committee recommends that FAMU study whether the church should retain records for a longer period.

We wish to commend Jason Stimmel (Treasurer), Michelle Fortin (Financial Administrator), Anne Thomas (Assistant Financial Officer), and the member of the Financial Affairs Ministry Unit for their fine work during the year. On behalf of the congregation, we thank them for the gift of their time and talent.
