

“Mission Dreams Into Action Grant Program”

In-Church Mission Project Proposal

Please answer All questions to the best of your ability & return it to the church office under care of the Mission Unit Chair John Ikenberry or Assoc. Pastor Michael Ozaki

State College Presbyterian Church

132 West Beaver Avenue
State College, Pennsylvania 16801
814-238-2422

1) Deadline of Submission:

2) Project Title: *(Provide a specific title that uniquely identifies it and its purpose.)*

3) Requested Amount: \$ _____

4) Applicant Info

Name: _____

Phone: _____

E-Mail: _____

Address: _____

5) Project Details *(These questions are to help us evaluate the project & you think through the planning process)*

- A-What are the specific goals and objectives of your program?
- B-Will additional funds be needed to carryout/ sustain your project? How will these additional funds be obtained?
- C-What specific outcomes determine the project’s success? How will you measure if your project is successful in reaching its goals?
- D- What “steps” will take place to carryout your project? *(You may use numbers, bullet points or write a narrative to show how the project will progress from start to finish.)*

E- Why do you believe this project is needed?

6) Project Participants:

- A-What individuals or group within SCPC will be responsible for the project’s implementation? (This should NOT be a SCPC staff member)
- B- Who is the primary audience or group that will be served or engaged by these activities?
- C- How will this audience or group benefit from the services you plan to provide?
- D- Will other members of the SCPC community be involved? How?
- E- Will you be partnering with outside agencies or individuals? If so who, in what way & have those partnerships already been established?

7) Project Budget:

- A- Provide information about the budget for your project. What expenses will there be & how will the requested grant funds be used as well as other cash or non-cash contributions (materials, services, ect.) that you expect to bring to this project.
- C- If only part of your requested grant amount is awarded, will you still work to undertake this project?

8) What other information should we know for the evaluation of this project?
