What is the LOGOS System and Program?

The LOGOS System and Program is a dynamic ministry of Christian nurture, the goal of which is to nurture youth and children into a personal relationship with Jesus Christ and lives as his disciples.

The LOGOS System and Program is found in approximately 4,000 churches in the United States, representing over 25 denominations. The Program is also found in Russia, Japan, and Canada. Invitations to the national staff have been received from Cameroon, Nigeria and India. As part of this large family we receive the benefit of excellent resources, training, and a wealth of shared experience.

The LOGOS System Associates (all persons in local churches engaged in the LOGOS System and Program) believe that nurturing youth and children into right relationships of faith with God through Jesus Christ is the most important thing the church ever does.

LOGOS System Associates, originally known as Youth Club Program, Inc., was initiated in 1957 in Pittsburgh. Our State College Presbyterian Church LOGOS Program was started in 1990.

The System

The LOGOS System of Christian Nurture involves the entire congregation. It is only when everyone makes a significant commitment of time, energy and ability to the nurture of young people that the LOGOS Program is most effective. Parents, single adults, grandparents, couples without children, pastors, all join together sharing their talents and gifts.

The LOGOS System unites the efforts of all programs of Christian Nurture in the church. The Church School, Youth Fellowship Groups, Mission and Outreach Programs, Vacation Bible School and the LOGOS Program work together to bring a comprehensive experience of Christian Nurture to our young people.

The Program

The LOGOS Program is a Four-Part Program. All youth and children participate in all four parts of the LOGOS Program every week. Adult leaders participate in the part of the Program in which they have agreed to share their gifts.

GECKOS is our LOGOS ministry for children in grades 1 through 5. It meets on Tuesday from 4:30 - 7:00 PM. It provides a structured program that builds relationships with peers, Christian adults, and the congregation.

CHRYSALIS is our LOGOS ministry for middle school youth (grades 6 - 8). It meets on Tuesday from 5:15 - 8:00 PM. It provides the youth with a nurturing environment in which to build relationships while learning about their faith.

The four parts of the LOGOS Program are designed to create an arena in which everyone can practice, through their relationships, the theological concepts learned in Bible Study. The Program enables youth and children to experience God's unconditional love, and to learn to share that love with their peers, adult leaders, and their families.

What is LOGOS?

The Program (cont.)

The four parts are designed to reflect the life of the early church as expressed in Acts 2:42:

"They devoted themselves to the apostles' teaching and fellowship, to the breaking of bread and the prayers."

"Apostles' Teaching" = Bible Study
"Fellowship" = Activity Time
"Breaking of Bread" = Family Time
"Prayers" = Worship Skills

Parental Participation Requirements

The LOGOS Program provides a place for parents to continue to fulfill the promises they made at their children's baptism. The nurture and care of youth in the church and a commitment to Jesus Christ are essential to the LOGOS Program. By taking an active role in the LOGOS Program, you fill a vital need in a child's life. The LOGOS Program is family oriented and can help to strengthen family ties within the church and at home.

ACTIVE PARTICIPATION BY AT LEAST ONE PARENT IS REQUIRED. Our staff is made up primarily of volunteers. Part-time service by a large number of people is essential to keep the program running. Your physical presence provides a visible commitment to your child and the LOGOS Program. Childcare and dinner are provided for your other children (Kindergarten age and younger ONLY) on the nights that you participate.

Sometimes it is difficult for parents who work, or for single parents to fulfill this participation requirement. We will try to be as flexible as possible in finding some way that you can provide support to the program. Perhaps you may even suggest a "surrogate" who can be there for your child (grandparents, friend, aunt/uncle, etc.)

Parents can walk their children in or drop their children off directly at the church's parking lot entrance where they will be greeted by a LOGOS staff member. At the end of the program evening, parents will need to come into the Social Hall to pick up their children. If you are going to pick up your children early or if pick up arrangements are out of the ordinary, please send in a note with your child(ren) and give to the greeter upon arrival. To avoid interrupting class time, early dismissals should occur between sessions only if able.

Bible Study

The Bible study portion is the foundation to building Christian relationships by knowing and understanding the Bible. This is an arena to create Biblically literate youth who apply what they have learned to all aspects of their life. We will be using *Faith for Life* curriculum that was especially written for the LOGOS Program.

The Faith for Life curriculum is designed for learners in ways that will:

- involve them in activities that are enjoyable and satisfying as well as challenging and knowledge producing.
- involve them in making choices, exploring subjects, expressing themselves creatively, interacting with teachers and other learners, and developing commitments. All of this is intended to increase their motivation for learning and applying what they have learned to their own lives.
- respond to the physical, emotional, moral and spiritual aspects of the learner's development at their various ages and stages from grades one to five.

In **Chrysalis**, 6th, 7th, and 8th graders will explore the Bible by discovering how the Bible and its wisdom relate to real-life situations in today's world, and in their own lives. Chrysalis' three-year rotation model of Christian Practices is based on Way to Live and the *Valaprisio Project*. You can learn more about these resources at waytolive.org and practicingyourfaith.org.

Activity Time

The GOAL of Activity Time is to experience great fun, as defined by the kids, at the expense of no one else. LOGOS is about re-creation, not wreck

-creation; we are about the business of building, not tearing down relationships. This segment of the program is designed to allow the children to play and express themselves both physically and creatively.

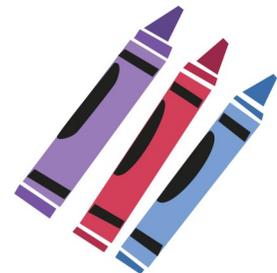

Games, sports, arts and crafts will be offered. We will use non-competitive games as a means of providing a safe environment

for all who are part of the program. The craft time will vary with the age groups. It is our hope to also draw on people from our community of faith who have a

particular talent to share with the group. This talent might be basketry, quilting, or woodworking all geared toward the proper age group.

Our goal is to provide yet another arena for the practice of building Christian relationships.

Worship Skills

The Worship Skills portion of the program prepares youth to participate regularly in worship since worship is the most important thing that Christians do. Worship is for the congregation what breathing is for the human body. We can't live without it. Therefore, Worship Skills is not just a choir, it is learning about, practicing in, and leading in Worship. **While choir is the foundation of Worship Skills, singing will be suspended this Fall due to Covid, but there WILL be handbells, Orff instruments, creative movement, instruments, drama, and exploring all aspects of worship leadership. Hopefully the children/youth will be able to lead worship during this year. Dates and service times will be announced ASAP.**

Christmas Eve: All available LOGOS children and youth will hopefully present a Christmas musical at the 7:00 PM Christmas Eve Service. There will be a special rehearsal for just those who will participate on Christmas Eve on Tuesday, December 21st from 4:30 - 6:00 PM (no dinner).

Spring Musical: In the Spring we hope that all LOGOS choirs will be able to present their annual musical, on a date TBA.

Family Time

Family Time is the most popular segment of the program for the kids. The hottest topic upon arrival is "what's for dinner?"

We believe that dinner is the hub of the program. Relationship building takes place as youth and Table Parents share in creative dialogue in a caring, "family" atmosphere.

The meal is usually served family style with everyone having the opportunity to serve one another. We are adapting our serving and table placements due to Covid. Our children will be assigned with table parents, but we are not exactly sure where the table parents will sit yet!! Family Time also includes announcements, introductions, grace, a major "thank you" for the kitchen crew, and the infamous table game.

We are trying to be conscious of nutrition; however, nutrition is not our sole goal. Our goal is to provide a fun meal that might include hot dogs, finger foods, and yummy desserts.

Family Time themes are listed on the LOGOS Calendar in this Handbook.

Sometimes the children, youth, and adults are invited to wear or bring something special in coordination with the theme (for example, pajamas on Pajama Night).

Please contact the LOGOS Director, Keri Rounsville at 574-5156 or

TUESDAY DROP OFF PROCEDURES FOR LOGOS GECKOS

- 4:15pm - 4:30pm

CHRYSALIS youth often arrive at different times but by 5:15pm

Mostly due to limited parking, we have an efficient drop off plan! Parents *can* walk their children in or **why not drop them off directly at the church's parking lot entrance where they will be greeted by a LOGOS staff member, have their temperature scanned, and sign in. Since we have glass doors now, parents will be able to see us give them the thumbs up & then they can drive off! (The temperature scanning is due to Covid concerns.)**

Since some of our Chrysalis youth arrive at different times, but they will be self-scanning with Laura Essinger-Hileman.

At the end of the program evening, GECKO parents will need to come into the Social Hall to pick up their children. Chrysalis parents should wait in the downstairs hallway when picking up their youth at 8pm.

Discipline Policy

First and foremost, we want to be partners with all parents, as together we nurture and guide our children and youth. We hope to communicate well in order to meet everyone's needs.

Cooperation with all members of the LOGOS staff should be stressed by the parents at home. General

demeanor at LOGOS should reflect Christian thought and concern for others. Courtesy is expected at all times whether in study or play.

Disciplinary problems will be dealt with as promptly, realistically, and consistently as possible, as they are detrimental to the progress of the entire program and sometimes to the safety and well-being of other children. Every effort will be made to solve discipline problems immediately. However, if staff is unable to satisfactorily resolve the problem, the child's parents will be called. The problem will be discussed with the parents and the goal will be to reach a solution acceptable to all parties involved.

To review our detailed discipline policy, please contact a coordinator (*see list on page 2*) and they will share what has been adopted by the LOGOS program.

Attendance Expectations

- ◆ Weekly attendance of all four parts of the program is strongly encouraged so that your child can get the full benefit of the program.
- ◆ Even though dinner is at the end of the program evening (for grades 1-5), children are encouraged to stay through dinner to reinforce the family atmosphere of the program and the building of Christian relationships.
- ◆ The mid-week LOGOS program is not meant as a substitute for Sunday School.
- ◆ If a conflict prevents full participation in the entire program for your family, please contact the LOGOS Director or a Coordinator. We believe that the program is most effective with full participation and we miss your children when they are not here.
- ◆ Attendance is strongly encouraged on Sunday mornings, especially when LOGOS Choirs are participating in worship. Your child has worked with the other children to prepare to lead worship. This work not only serves the church, but builds esteem and teaches worship. We hope that every child participates in worship every Sunday. If you have a conflict, please contact Ned Wetherald (home 353-8990, church 238-2422, or nedscpc@gmail.com) so he can plan properly.

Registration and Fees

Registration is to be completed by a parent or guardian of the child(ren) being registered.

Participation in LOGOS cannot occur until registration forms have been completed and turned in due to insurance/safety reasons.

No child will be denied the rich Christian experience of LOGOS/Chrysalis for financial reasons. Scholarship aid is available. Please contact Deannine Shipman, Director of Education and Program (238-2422 or deanninescpc@gmail.com) or Keri Rounsville (574-5156 or rouns626@yahoo.com) to make arrangements for financial aid. All requests and arrangements are strictly confidential.

Tuition fees help cover the cost of meals, Bible study curriculum, crafts and recreation supplies, Mission Membership in LOGOS System Associates, and special activities. Chrysalis fees are slightly more to cover the extra activities in which our middle-school youth participate. The State College Presbyterian Church operating budget covers about half of the total cost of the LOGOS Program. Fees are reviewed annually by the LOGOS Coordinators and adjusted when necessary.

Tuition can be paid online, or by check. If paying by check you can choose to pay in two installments: 1 due at registration and the 2nd due in January. Tuition bills will be sent in January as reminders.

Last year we did not charge anything for our altered LOGOS program. This year we went back to the last fee amounts (2019) and did not raise them.

Guests at LOGOS

LOGOS members are encouraged to bring their friends to visit the program. Guests interested in the program do not need to come with a church member and are always welcome. To insure that we are prepared for guests, we have had to establish guidelines for bringing a guest to the LOGOS Program.

- ◆ The youth bringing a guest needs to contact the church office (238-2422) at least by the Monday before, so meal and seating arrangements can be made.
- ◆ Friends are allowed to visit up to three times a year. After this time, they and their parents will be asked to make a commitment to the program and to join us on a regular basis.
- ◆ LOGOS members are responsible for their guests while at the program. They are expected to stay with their friend and introduce them to the staff during each session. It is our hope that guests will feel comfortable and welcomed.

The Only Rule of the LOGOS Program is . . .

. . . Treat every person as a child of God.

2021 Pandemic Health and Sickness Policies

If your child/youth test positive for Covid and they have NOT been vaccinated, there should be a 14 day quarantine that is being recommended by the Dept. of Health, due to the Delta Variant. Anyone who tests positive for Covid who is vaccinated and without symptoms will likely need a negative Covid test to continue coming to programs/school.
- In the event of a medical emergency, we will treat your child with first aid. If it is a life-threatening or serious injury, you will be called and your child will be taken to the emergency room at Mt. Nittany Medical Center or an ambulance will be called.
