PLEASE COMPLETE OTHER SIDE

The LOGOS program runs on parental involvement and volunteering. For the year to be a success we need your help. Please select an area in which you are interested in helping.

I/We Volunteer to:

- Research and offer up some ideas for online/Zoom games
- Hand out curbside meals (outdoors with masks)
- Fill packets (inside job but alone in a Sunday School room)
- Videotape myself/family acting out a Bible story/reading
- Be a Family Time group leader (hosting the online Zoom call and leading an online game)
- Pray for this ministry on a weekly basis!

I acknowledge the commitment to the above checked areas of support for LOGOS

Registration Fees: No fees will be collected this year, however, donations toward curbside meals are appreciated. Donations can be made out to "SCPC with LOGOS meals" in the memo.
