Stay and Play Approved Policy for COVID Symptoms or Positive Test Result

Established: August 2020

Updated: August 2021

Date of Positive Test or 1 st day of symptoms	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7	Day 8	Day 9	Day 10	Day 11
Medical Professional consultation – If Positive test result the Dept. of Health Consulted										Last Day of quarantine / unless DOH or medical professional specifies otherwise	Return after quarantine

Quarantine keeps someone who might have been exposed to the virus away from others. A parent in quarantine may be exposed to the child.

Isolation keeps someone who is infected with the virus away from others, even in their home. A parent in Isolation may not be in contact with the child at any time.
