\*Call to Worship

Glen Blume

Leader: “Shout for joy to the Lord, all the Earth.”

**People: We sing praises for the glory of God's creation.**

Leader: God, you have given us a glorious garden.

**People: We give thanks for your presence across time and space, and through each person and creature.**

Leader: Come, Let us worship the one who provides us with life-sustaining plenty.

\*Hymn No. 37

“Let All Things Now Living”

Call to Confession

Peggy Lindsey

\*Prayer of Confession

We confess O God, that we forget, or fail to recognize, that everything living is born of your love, your dream, your purpose. We forget that we are only one part of your interconnected, interdependent, amazingly diverse creation. We know that what affects one affects all, but we ignore that truth. If the bees die, the plants won't thrive. If the plants don't thrive, the creatures will starve. If the earth continues to warm and the waters continue to rise, species will disappear and people will be displaced. Where will they go? Help us, O God, to remember that we are all in this together, throughout the earth - every person, every creature, every bug, every plant - born of your love and meant to live by your design. Forgive us when we fail, forgive us when we act as if our well-being is all that matters. Save us, we pray, by your grace, and inspire us to act in love for all living things. Amen.

**All: Strengthen and transform us, O Spirit.**

### Love our Krislund Trees!

The destructive Spongy Moths are expected to have a big year this year, and we need to help protect the young forest at Krislund, used by many groups and loved by many individuals in this congregation. The necessary spraying will be coordinated with adjacent landowners to be most effective. The church has committed to \$16,000 of the \$21,000 cost, and donations to help meet that goal are welcome. If you would like to donate to keep the leaves on the trees, simply mark your contribution Krislund-trees, adding an in-honor designation if you would like to honor a tree lover, or someone who loves Krislund.

### Parking Vouchers for Today!

Today those who park in the Beaver Avenue parking garage while attending the Sunday worship service can stop by the information desk to pick up a voucher for up to 3 hours of free parking (can only be used Sunday morning in the Beaver Avenue garage). Someone is at the desk for 15 minutes before and after the worship service.

### Attention Graduates

We want to acknowledge our graduating students! If you (or someone you want to celebrate) is graduating this Spring please send their name, school, degree and a photo to Allison (allisonscpc@gmail.com) or the office (officescpc@gmail.com) so we can celebrate the hard work our students have put in to cross this momentous finish line! We'll recognize our college and advanced degree students during our May 1st worship service and high school grads during our May 22nd service. Deadlines for each will be the Tuesday prior to the service. Congrats all!

### Tree Dedication—May 1st

Last Fall we were able to plant a new Maple tree in the place where a Ginko tree stood on the church lawn for many years. The new tree is going to be dedicated to the memory of Hobie Kistler, son of Mary Jane and Tom Kistler, whose life was lost in a car accident in April of 2021. Hobie was an active and much loved member of the congregation as he grew up among us and as he began his career in the Navy. Next week following worship, the dedication service will be held on the front lawn.

## Adult Education

Next Sunday, May 1st, Kerby Goff will share from the heroic stories of Gladys Aylward to the narrative exposés of Pearl Buck. The missionary ventures of Western women in eastern lands during the 19th and early 20th centuries have prompted both appreciation and critique. While both argued for women’s essential place in the religious and educational role of foreign missions, Black women also argued for missions as a means of racial solidarity and uplift. Join Kerby next Sunday at 9:00 am in Westminster Hall.
