Morning has Broken

1. Morning has broken like the first morning, Blackbird has spoken like the first bird. Praise for the singing! Praise for the morning! Praise for the morning! Praise for them springing fresh from the Word.
2. Sweet the rain's new fall sunlit from heaven, Like the first dewfall on the first grass. Praise for the sweetness of the wet garden, Spring in completeness where His feet pass.
3. Mine is the sunlight! Mine is the morning Born of the one light Eden saw play! Praise with elation, praise every morning, God's recreation of the new day!

Lord of the Dance

1. I danced in the morning When the world was begun, And I danced in the moon And the stars and the sun, And I came down from heaven And I danced on the earth At Bethlehem I had my birth.
Refrain: Dance then wherever you may be, I am the Lord of the Dance said He, And I'll lead you all Wherever you may be, And I'll lead you all In the dance said He.
2. I danced for the scribe And the pharisee But they would not dance And they wouldn't follow me, I danced for the fisherman For James and John They came with me And the dance went on. Dance then... (Refrain)
3. I danced on the Sabbath And I cured the lame The holy people said It was a shame They whipped and they stripped And they hung me high And they left me there On a Cross to die. Dance then... (Refrain)
4. I danced on a Friday When the sky turned black It's hard to dance With the world on your back They buried my body And they thought I'd gone But I am the dance And I still go on. Dance then... (Refrain)
5. They cut me down And I leapt up high I am the life That'll never, never die I'll live in you If you'll live in me I am the Lord Of the dance said He. Dance then... (Refrain)

Lord I Lift Your Name On High

Lord, I lift Your name on high; Lord, I love to sing Your praises. I'm so glad You're in my life; I'm so glad You came from heaven to earth To show the way. From the earth to the cross, My debt to pay From the cross to the grave, from the grave to the sky; Lord, I lift your name on high!
