Call to Worship Allison Maus

Leader: Gather round for we have a story to tell;
People: A story of love drawn from deep within God's heart,

Leader: A story of people who watched and waited,
People: A story of longing for love among all people,
Leader: A story of love drawn from God's heart
People: which ends the waiting and fulfills the longing.

Leader: A story of love which God cast over all creation.
People: which God cast broadly and generously for all people

Leader: saying: "This is for you, it is all you need"

People: It is all you will ever need

Leader: There is enough here

People: to heal the whole world.

Leader: With words, and songs, with prayers, and with light,

People: let's tell the story of God's great love, once again.
