Pastoral Visioning Team Listening Session—

January 8th during Adult Ed

The Pastor Visioning Team would like to thank everyone for making the time to submit our survey. The next step of our process will include the opportunity to engage in conversation and dialogue about the survey results. The committee is scheduling numerous listening sessions in January to hear directly from our church community before making our final report. These sessions are optional, and you need only attend one if you would like to share your thoughts and ideas with the committee. The first general session will be held during the Adult Education hour on Sunday, January 8, 2023. Additional sessions will be scheduled, so please stay tuned for more information.
